

Welcome!

This is a trial run for a presentation program that is designed to facilitate the distribution of National Alliance literature to the general public. This Trial Page would say something along the lines of "Feel free to print out and pass along!". My specialty is in PDF Interactivity, and not graphic design; hence the terrible layout qualities. Viewing this will give you an idea of what can be done with the program as to layout and multimedia potential - making it look good will be up to whatever graphic artist decides to tag along for the ride. While rough around the edges for now, once complete it will require minimal updating and maintenance in order to keep current. Again, this is an extremely limited trial run, designed simply to garnish input and advice from those who might see it. Any such suggestions or comments should be directed to WotansVolkNYC@hotmail.com. By the time this is completed, there should be approximately 50 8.5 x 11 flyers in every conceivable European language, with full printing capabilities for each one. I appreciate your time, and thank everyone in advance for your help!

Please click this text to view information on how you - yes, YOU - can help!

Graphic designers are desperately needed to complete this project.

If you have any skills with Adobe Photoshop, Illustrator, Acrobat, Indesign, QuarkXpress, or other page layout tools, please contact me at WotansVolkNYC@hotmail.com. What is most immediately needed is a Flash animation intro page, a Welcome page, a Table of Contents, and a base cel for the viewing of the flyers. These pages are all 11 high by 17 wide. Buttons for all of the languages and navigation commands are needed. A complete reformat would not be unwelcome. Interactivity is not a problem; Graphic design is what is lacking . All pages must be uniform in design and format, or reasonably so, at least. If necessary, a pay scale can be arranged.

New fliers are always welcome, as well!!

Your Tax Dollars At Work

In Israel...

Rachel Corrie. Murdered.

Israel receives 10 million American Tax-Dollars every day.
It goes into buying weapons and bulldozers to destroy
Palestinian homes.

Where is the outrage at this American's death?

Why is Israel held to different standards than the rest of the world?

**Israel is in defiance of 69 United Nations
Security Council resolutions and has been
protected from 29 more by U.S. vetoes.**

The Facts: U.S. Aid to Israel

Israel is the single largest recipient of U.S. foreign aid. Israel usually receives roughly one third of the entire foreign aid budget, despite the fact that Israel comprises less than one one thousandth of the world's population and already has one of the world's higher per capita incomes. In other words, Israel, a country of approximately 6 million people, is currently receiving more U.S. aid than all of Africa, Latin America and the Caribbean combined excluding Egypt and Colombia.

The House of Representatives has appropriated \$2.04 billion in military aid to Israel for next year (up from \$1.98 billion this year) in addition to \$840 million in economic support funds. The total amount of US aid of this sort has been constant, at around \$3 billion.

In addition to nearly \$3 billion in direct aid, Israel usually gets another \$3 billion or so in indirect aid: military support from the defense budget, forgiven loans, and special grants.

Matti Peled, former Israeli major general said that he and most Israeli generals believe this aid is "little more than an American subsidy to U.S. arms manufacturers," considering that the majority of military aid to Israel is used to buy weapons from the U.S.

This amounts to 10 million American Tax-Dollars every day.
What would *you* do with 10 million dollars?

Here's what Israel buys:

* Weapons to kill and maim Palestinian people. From September 2000-July 2002, 1,656 Palestinians have been killed by the Israeli Defense Forces. 19,776 have been injured.

* Materials to build illegal colonies - called settlements - connected by Israeli-only highways in illegally occupied Palestine.

* Bulldozers to destroy Palestinian homes. Since the beginning of the occupation in 1967, over 7,000 Palestinian homes have been destroyed.

Make Your Neighborhood a Terror-Free Zone

HELP US SAVE THE LIVES of innocent American children. Help make your community a *Terror-Free Zone*.

Stop the genocide; stop the murder and hatred. Together, we can prevent our communities from becoming bomb magnets or targets for terrorists, one neighborhood at a time.

Ask your neighbors and civic leaders to sign the National Alliance resolution to make your community a *Terror-Free Zone* today.

The terrorist deemed most responsible for the attacks on September 11th, 2001, Osama bin Laden, stated ominously on May 26th, 1998: "By God's grace, we have formed with many other Islamic groups and organizations in the Islamic world a front called the International Islamic Front to do jihad against the crusaders and Jews."

We know our government's overwhelming support for the Jewish state — over 10 million dollars every single day — is a major factor in causing terrorism and hatred of Americans overseas. But "crusaders"? Who are they? While it may seem like an antiquated historical term, the "crusaders" to which the terrorist-in-chief is referring are the American and allied forces which have repeatedly made war on Moslem states in response to the demands of the Jewish lobby.

We must keep terrorists out of our country by re-establishing the pre-1965 immigration laws which kept our country safe and secure, and kept the endless wars and fanatical hatreds of the Middle East far from our shores.

By the same token, we must stop meddling in the affairs of the Middle East, stop taking sides, and oppose the U.S. government-funded war on Islam. *Let Israel fight its own wars.*

Stop increasing the hatred, and stop killing the Middle Easterners who have never done us any harm — the ones who remained at home.

Israel's brutality against the Palestinians and its decades-long occupation of other people's land is not something that Ameri-

Above: The destruction of the twin towers of the World Trade Center was a wake-up call to Americans. cans should be paying for; it merely increases hatred for America and makes us targets for terrorism. We say: *Not with our taxes, not in our name!*

Below is a copy of the National Alliance *Terror-Free Zone* resolution. Please copy it, inserting the name of your local community, and add the signatures of your local community and civic leaders endorsing the resolution. Send us a copy of your locality's completed resolution for national coordination.

TERROR-FREE ZONE RESOLUTION

WHEREAS the attack on September 11th came in response to our government's diplomatic, economic and military support for Israel in its wars against the Arabs and Moslems;

WHEREAS these wars and proposed wars in the Middle East are the result of pressure by the powerful Jewish lobby; and these wars and proposed wars are in direct conflict with America's best interests;

WHEREAS the vast majority of the population does not support these policies and wars; and therefore should not be targeted for reprisals;

THEREFORE, the citizens of INSERT NAME OF YOUR COMMUNITY are requesting that the federal government not use our tax money, troops, or diplomatic pressure to support Israel's depredations.

WE ASK that this resolution be given the widest possible circulation, and we ask specifically that it be forwarded internationally to all nations of the Middle East, belligerents and neutrals alike, with the request that because of the issuance of this statement, INSERT NAME OF YOUR COMMUNITY not be targeted for reprisals and that it be declared a *Terror-Free Zone*.

SHE NEEDS THE TRUTH

Where will she find it?

On television, with its racially mixed couples and multi-cultural propaganda? In Hollywood, where no film can be made without some degenerate anti-White message? On the radio, where she'll learn that killing cops and shooting heroine is the thing to do? In the classroom, which has been converted into a sick, neo-communist brainwashing pen? Or *will it be on the streets*, where she'll be exposed to drug dealers and perverts?

We are here to make sure that more and more young people like her will have access to the truth - on the radio, over the internet and through the printed word. We are the men and women of the National Alliance.

It's about time.

ISRAEL

IT'S TIME TO CUT THEM OFF

Who sold Communist China the Advanced Warning and Control (AWACS) System, the Patriot Missile Defense System, the Tomahawk Missile, the Sidewinder Missile, the Battlefield Laser Gun, the F16 Fighter, and dozens of other high-tech military weapon systems? The Arabs? No, it was Israel.

That's not all. For the first time, Chinese nuclear missiles are capable of reaching our continent. The Israelis sold them the required ICBM Targeting Technology.

Read The Cox Report. It's part of the Congressional Record, and tells the story of Israel's treachery and betrayal. You can find it on the internet at the address below. If you do not have a computer, use the one at your local library.
