Prologue
by Ben Klassen, P.M.

We Creators are convinced that with our movement we are making not only human history but also biological and environmental history. Upon the success or failure of our venture rests not only the momentous decision as to whether the whole human race will now retrogress into the abysmal quagmire of a mongrelized brown mass of human misery, or whether it will break through to a shining new era of a Whiter and Brighter World, of culture, intellect, wellbeing, prosperity, harmony and happiness. More than that, with our success or failure will also be decided as to whether the global environment of this whole Planet Earth will degenerate into a poisoned stinking garbage dump, or whether it will be restored to its original pristine beauty, health and cleanliness.

Undoubtedly, the implications of our movement are enormous, and it will be a watershed in history as no other event ever before it. Future historians, if the White Race survives, will therefore be greatly interested in our early beginnings and how the ideas of Creativity developed. It is with this in mind that we publish this collection of the first twenty issues of our flagship journal, RACIAL LOYALTY, for posterity. We believe that it will not only become a precious and valuable collector's item in the archives of history, but also a valuable book of reference, study and inspiration for the present and future generations of Creators. Each page of RACIAL LOYALTY is like a diary documenting the development of the one and only, true and revolutionary WHITE RACIAL RELIGION — CREATIVITY, which has the potential of not only saving the Whitest Race from a worldwide victory, but also guiding the victorious White Race for the next million years towards a New White Renaissance, a Whiter and Brighter World and a Glorious Era of the White Superman.

Without a doubt, each page of RACIAL LOYALTY will eternally be interesting and valid for all generations of the White People; therefore, we cannot allow the sacred pages of our newspaper to just yellow away in some stack of unimportant newspapers — we must preserve them for all eternity in the volumes of the RACIAL LOYALTY PORTFOLIO.

Along with this record, we want to recapitulate a short resume of the events in the history of the Church of the Creator that led up to the publication of the historic first issue of RACIAL LOYALTY of June, 1983.

May, 1971. I began the first attempts in writing the manuscript and formulating the basic ideas of a new religion for the survival, expansion and advancement of the White Race.

October 17, 1972. Contract signed with Tribune Publications, Inc., for the printing of NATURE'S ETERNAL RELIGION.

February 22, 1973. First truckload of books, NATURE'S ETERNAL RELIGION, delivered to our warehouse. This can be considered as the founding date of the CHURCH OF THE CREATOR.

Summer of 1975. Started writing on a subsequent manuscript that culminated in THE WHITE MAN'S BIBLE.

July 20, 1980. Bought a used AM Varityper Typesetting unit to start typesetting the manuscript of THE WHITE MAN'S BIBLE.

October 8, 1980. Signed an agreement with Albo Printing Co. in Miami for printing and binding of the book, THE WHITE MAN'S BIBLE. Made a $5,000 down payment.

February 10, 1981. Albo Printing Co. finished printing 20,000 copies of THE WHITE MAN'S BIBLE and delivered them to our warehouse in Pompano Beach, Florida.

September 4, 1981. Met with Billy Sanders, a building contractor, and went over preliminary plans and ideas for a church building in North Carolina. Asked him if he could hire an architect. He recommended Jack Patton, of Franklin, North Carolina.

September 8, 1981. Had initial meeting at the cabin with Jack Patton, the architect, to discuss design of the church building.

September 11, 1981. Met with Lance Coalson of Rose Printing Co., Tallahassee, Florida, and drew up a contract for printing a new book, SALUBRIOUS LIVING. The contract was signed and I made a deposit. Four weeks later attorneys for Rose Printing Co. (owned by Jews) returned all of the manuscript, the contract and enclosed a refund check for the entire amount. Their objection: racial overtones in Chapter 22. This, despite the fact I had made it a point to bring this to their attention from the very beginning.

October 13, 1981. Went to see Universal Printing of Hialeah, Florida, to arrange for the printing of 25,000 copies of SALUBRIOUS LIVING.

October 19, 1981. Made arrangements with Jorge Diaz of Kendall, Florida, for typesetting the text of SALUBRIOUS LIVING.

January 29, 1982. Picked up the first two cartons of SALUBRIOUS LIVING at Clayton, Georgia, bus station. These were the first completed sample copies.

February 9, 1982. Huge truck with 20,016 copies of SALUBRIOUS LIVING arrived at our cabin in North Carolina, and the books were promptly unloaded into our private garage No. 2, during a heavy downpour.

March 9, 1982. Met with the builder, Billy Sanders, and finalized bid on contract for church building.

March 10, 1982. Met Billy Sanders on grounds of building site at 8:00 a.m. and broke ground for the COTC World Center Building. At 11:00 a.m. the heavy equipment arrived and started excavating.

October 9, 1982. Met with Reverend Tim Gaffney to discuss possibilities of hiring him as our first Hasta Primus. Picked him up at Asheville Airport, and had him stay for a day.

December 4, 1982. Signed contract with Compugraphic, Inc. for purchase of several expensive pieces of typesetting equipment for printing of future newspaper. Compugraphic promised delivery of the equipment by the first of the year.

December 11, 1982. Church building officially completed.

December 28, 1982. Reverend Tim Gaffney arrived at 3:30 p.m. to start his job as of the first of the year; his wife to follow a month or so later.

January, 1983. Requested delay in delivery of the typesetting equipment by Compugraphic, Inc. Problems seem to be developing between Reverend Gaffney and his wife, who is Catholic. By this time she has evidently made up her mind (at the urging of her priest) that she will not come to North Carolina.

February 27, 1983. Reverend Tim Gaffney returned to Schenectady and we were without a Hasta Primus.

March 8, 1983. Global Van Lines finally arrived at 7:00 p.m. and delivered six large packages of Compugraphic equipment. Unloaded until 10:30 p.m.

Part of the delay in receiving equipment: for some strange reason it had originally been addressed to South Boston. To make matters worse, after unloading, the driver of the truck drove up to our crossroads in the cabin to turn around, got stuck in the cow pasture, where he stayed all night. He had to be pulled out by a wrecker service next morning.

April 1, 1983. My wife and I drove up from Lighthouse Point, Florida, in two cars, the station wagon and the VW Rabbit, with two large sections of the Insignia sign (each 4x8) fastened to the rack on the roof of the station wagon. This being Good Friday we could not find any overnight motel accommodations. After a short (1 hour) rest, we drove up on all the wheels of the cabin in North Carolina, arriving at 6:00 a.m., completing a 750 mile trip.

After this trip we started putting together the first issue of RACIAL LOYALTY over the next few weeks.

April 4, 1983. Gene Schwegert from Compugraphic, Inc. arrived and we began on the operation of the typesetting equipment over the next three days.

April 12, 1983. Now the real fun begins. Started typesetting on copy of the June issue of RACIAL LOYALTY.

April 19, 1983. Made arrangements with Dixie Printing in Franklin, North Carolina, for the actual printing of RACIAL LOYALTY.

April 25, 1983. Finished layout and paste up of RACIAL LOYALTY and took all six sheets (12 pages) to Dixie Printing for a run of 15,000 copies.

June 15, 1983. At 1:45 a.m. an unknown gang of 3 criminals hurled a Molotov cocktail at the church and fired a shotgun blast at the insignia of the church. The criminals were never apprehended, and the authorities only made a half-hearted effort to find the culprits.

June 28, 1983. Allied Van Lines picked up all our belongings at our former home in Lighthouse Point, and my wife and I left the house at 9:15 p.m. We drove to Fort Pierce and stayed at the Holiday Inn overnight.

June 30, 1983. Arrived at our North Carolina cabin at 1:30 p.m.

Creativity is the Winning Formula!
CREATIVITY...
An Idea Whose Time Has Come

FINALLY, A meaningful, comprehensive Racial Religion for the White Race

After at least 60 centuries of wallowing in confused bedlam, at last there is now light at the end of the tunnel for the White Race. After 60 centuries, finally, for the first time in its history the White Race has a genuine racial religion of its own. That religion is CREATIVITY, and the Church of the Creator is both humble and proud to lead the way. It is our resolute determination to polarize the White Race, to build a powerful army of aroused, determined White racial partisans whose unswerving goal is the survival, expansion and advancement of the White Race. We are now committed, come hell or high water, to build such a movement into a powerful battering ram that will sweep all enemies of the White Race before us—be they Jews, Christians or mud peoples. Organized, informed and aroused, the White Race is easily ten times more powerful than all its enemies combined.

There is a saying that nothing is so powerful as an idea whose time has come. For our race CREATIVITY is that idea—an idea more vital and dynamic than any the White Race has ever entertained in all of its long and tumultuous history. And it is about time. Another generation or two of the present Jew-induced madness and the White Race will be finished. It will be gone forever. It will voluntarily have aided its enemies by committing suicide.

It is the goal, the burden, and the glorious privilege of The Church of the Creator to lead the White Race back to sanity, to direct it on a course back to strength and virility, to lead it on to its own salvation and resurrection.

White Racial Teamwork
Resolving the Conflict between the idea of unbridled Liberty and Freedom on the one hand and Responsibility and Duty on the other.

The Jews sparked the French Revolution with the catchwords Liberty, Equality, Fraternity and threw that great White nation into turmoil from which it never recovered. During the chaos the Jews themselves had engineered, they were quick to take advantage of the breakdown and massacre the finest of the White French leadership. As the guillotine was busily employed, as heads rolled and women counted stitches in their knitting in a synchronized debacle of horror, the Jews were exercising two of their most potent weapons. These were (a) always kill the best (of the White Race) and (b) divide and conquer.

The Jews themselves say in "The Protocols of The Elders of Zion" that they have been the first to cry among the masses these same catchwords (or their equivalent) since ancient times, and any number of times since the French Revolution. They have used these ideas as bait repeatedly throughout history to stir the masses, to trap them into turmoil and anarchy and then to destroy, conquer and enslave their gullible victims.

In Protocol No. 1 they point out with wry sarcasm that these catchwords embodying the ideas of "Liberty", "Equality", "Fraternity", "Freedom" and "Individualism" have always worked like a charm against those goyim they wish to

THE FLAT TIRE SYNDROME

A doctor is giving a patient a physical check-up. All the while he is groaning and moaning, deploring and lamenting the bad state of the patient's physical health. Finally he is finished and he reports his diagnosis. "You are a very sick man, Mr. Jones. You have terminal cancer. You probably have not more than 30 days to live."

The patient, now much alarmed, inquires of the doctor "But doc, what is the solution?" The doctor walks off and says:"Solution? I hadn't thought of that. I haven't the foggiest idea."

What would you think of a doctor like that? If you were the patient would you say that he has really helped you, or has he merely added to your worries and nervous strain? Furthermore, if the "experts" don't have a solution, would you not be more inclined to throw up your hands and conclude: "If the experts have no solution, how should I know what to do?"

This little story pretty well describes the kind of "information" the White Race has been getting

(Continued on Page 3)
We call our new building the World Creativity Center. We now have a geographic base, in the beautiful Blue Ridge Mountains of North Carolina. As Hitler has succinctly pointed out, a geographic "home" is extremely important for the growth and polarization of any ideology.

We now also have a paper with which to inform and contact our supporters and spread our ever growing base. As you have noted from the masthead, we call it RACIAL LOYALTY, a basic tenet of our creed.

So we are now on our way. We are determined that nothing, but nothing, is going to stop the regeneration, salvation and resurrection of the most precious treasure on the face of the earth — the White Race. Now, we need you, White Man and White Women who are reading this, to do your part.

What can you do? Well, if you have never heard of The Church of the Creator until now, the first thing you can do is to avail all yourself of our three basic books. In them is spelled out the TOTAL PROGRAM, the FINAL SOLUTION, the ULTIMATE CREED for the SURVIVAL, EXPANSION and ADVANCEMENT of the WHITE RACE. Read them, study them intensively. Then go to work. Become a militant, aggressive White Partisan — a partisan for the White Race.

Next, become a mini-distribution center for the White Man’s Bibles. Sell, loan out, give away, as many copies each week as possible. You and your progeny will be well rewarded for your efforts. Your reward will be the survival of yourself, your family, and your race.

Next, order a hundred copies of this paper and distribute it to any and all of your (White) contacts that are receptive to reading it. You are thereby planting seeds, the future ramifications of which are unpredictable and incalculable.

Next, you can organize a church group — a very vital program for which we will offer guidelines in future editions.

It is our goal to build a communications network within the White Race that is second to none. It is our initial goal to place 10 million copies of our White Man’s Bibles in the hands of our White Racial Comrades. Once we have done that much we are over the hump and well on our way to winning the world as the White Man did in The Winning of the West in the 19th century.

In participating in this noble endeavor, you, too, become part of the movement, a Creator, the Elite of the White Race. In so doing, you will be dedicated to a cause that is greater than yourself — a cause that transcends all others.

THE FLAT TIRE SYNDROME

(from Page 1)

the problem is and whether you like it or not, you have the unpleasant job of correcting it.

If while you are in the process of changing the tire a passerby stops and informs you “Hey, mister, you have a flat tire!” but does nothing to assist, is he of any help to you? Supposing another, and another and a dozen more stop and tell you the same thing—something you are already well aware of, are they of any help? I would say, no, they are not, and after the first alarmist, I would say that the continual rehashing of the problem could become damned annoying.

This is pretty well the modus operandi of most of the “help” we have been getting from politicians, preachers, Kosher Konservatives and a multitude of other polygot groups. Analyze! Diagnose! But never get to the heart of the problem, and never come up with a meaningful solution.

Even in their diagnosis, such groups by and large give you false information, or at best, only a partial picture.

This reminds me of an excellent poem by J. G. Saxe about six blind men from Indusant who went to see an elephant. (It is on page 290 of the Fifth Grade McGuffy’s Reader). It tells about the interesting but partial versions of the six blind men as they “see” an elephant. The first one touching the side concluded an elephant is like a wall; another grasping its tail concluded an elephant is like a rope; another touching his trunk thought the beast similar to a snake; another touching its ear was convinced that an elephant was like a fan; and so on down the line; six completely different versions. None of them were exactly wrong but none of them had the whole picture, and anyone not knowing what an elephant was about would certainly get a completely erroneous version from any one of the six individuals. Even if he heard all six versions he would still be more confused than ever, since undoubtedly he would be unable to put the whole picture together from their jumbled and contradictory descriptions.

This is pretty well the situation the average White Man finds himself in today. With Jewish propaganda impinging on his mind with a thousand different versions of the problem being dumped on him by politicians, preacher, TV, etc., most of our good White Racial Comrades are hopelessly confused, and what with the Christian “morals” and “ethics” that they have been brainwashed (programmed is a better word) with, they are locked into a paralysed, no-win position. They now have, what I prefer to designate as a “polygot mind”, which is so full of wrong or useless information and advice that they do not know which way to turn. Most of them prefer to throw up their hands, feeling that it is hopeless, they are trapped and that nobody knows the problem much less the solution. As a result they shut their eyes to reality and prefer to live in a make-believe world in a state of hopeless desperation.

With Creativity and The Church of the Creator it is a different story. We offer an island of hope and sanity in a world that has gone stark, raving mad. We fearlessly go to the heart of the problem and shout loud and clear what the problem is and spell it out in our basic Bibles. And essentially the problem is racial, exacerbarated by that master mind-manipulator of all time—the international parasitic Jew. We state loud and clear that their objective is the complete destruction of the White Race and garner unto the Jews all the control, the wealth and riches of this world.

In a nutshell, that’s the heart of the problem. Have you ever heard your preacher tell you that? No. He”ll tell you to pray to the spoocks.

AN IDEA WHOSE TIME HAS COME

In pursuit of this great cause let us be fearless and tenacious. Let us be deliberate and determined. Let us look the world straight in the eye—Jews, Christians, niggers and all—and say—world, whether you are ready or not—here we come and you had better get used to the idea. Never again will the White Man tolerate being confused, defused and abused. No longer will the White Race sit idly by and allow itself to be looted and polluted, robbed and massacred. We now have a genuine White racial religion around which we can polarize and unite. We now have a religious religion to lead the way for the White Race in order to build a Whiter and Brighter world. CREATIVITY is now on its way and it is here to stay. It is the most powerful and dynamic idea in the White Man’s tumultuous history and now its time has come.
destroy. They further point out that the goyim, who himself took up the cry, was always too stupid to realize that the ideas were in themselves contradictory and impossible of fulfillment.

We must remember, of course, that the Protocols were not written for the enlightenment of the Goyim (the derogatory Jewish term for Gentiles, meaning stupid cattle) but were written solely for the secret direction of Jewish insiders as a plan and program for the destruction of the Goyim, especially the White Race. They were never meant to become public knowledge to the Goyim and it is an accident of history that we have learned about them at all. Actually, despite the fact that the Protocols have been public knowledge (a copy was placed in the British Museum in 1906) since 1905, the Jews have been so successful in suppressing and/or discrediting this veritable powder-keg that very few White people know about them even today, more than three quarters of a century later.

(For further information about the Protocols read Chapters 19 and 20 of NATURE'S ETERNAL RELIGION.)

For centuries millions of White people have been enamoured and misled by these Jewish ideas. Not only among the flaming liberals, but especially by staunch "conservatives" have these libertine ideas been enthusiastically embraced and trumpeted. As the Jews point out, the stupid Goyim did not note the contradiction of the meaning of these words, nor did they realize that in Nature there is no equality, and that the very idea of "freedom" in a real world is a myth and a hoax.

Let us repeat and emphasize this point. Nature herself has established inequality of minds, of characters and capacities just as immutably as she has established subordination to her laws. Woe to the species that attempts to flout those laws. Nature punishes such misfits with the ultimate penalty—extinction.

Unfortunately, the White Race is now suicidally bent on flouting the most basic of all of Nature's Laws, namely, fighting for its own survival, and predictably, it is on its way to extinction.

Since the unflagging goal of the Church of the Creator is the survival, expansion and advancement of the White Race, and since it is our burden to stem the headlong rush to suicide with which the White Race seems to be imbued, we want to examine more closely the meaning of some of these Jewish catchwords. Among these words that the White Race has put on a sacred and unreal pedestal are the ideas of freedom, liberty, equality, brotherhood, independence, and individualism. To Americans in particular these ideas have been as unassailable and venerated as the Holy Sepulchre to the Christians, and for about as much reason. Strangely, it is especially among the "conservatives" that these ideas are misunderstood most of all.

We have already examined the idea of equality as being a major Jewish hoax perpetrated on the White Race in order to destroy us. This we have done in both NATURE'S ETERNAL RELIGION (Chapters on "Socialism", "Heredity", "Social Darwinism", "The Leadership Principle", and others) and THE WHITE MAN'S BIBLE (Creative Credos Nos. 17, 18, 29, 30, 31 and several others). There is therefore no need to cover this same ground again. In this treatise I therefore want to more closely examine the sarcosanct (in the minds of the naive) ideas of freedom and individualism of which we hear so much. Although they express two separate ideas they are closely related. One thing they have in common is that these ideas have been repeatedly and skillfully used by the Jews in their diabolical technique of divide and conquer.

Let us first examine the idea of freedom.

The first thing I want to point out is that like the free lunch, the whole idea is unrealistic and illusory. It does not exist, either in Nature nor in society. It never has and never will. It is, in fact, as the Jews point out in the Protocols, a Jewish catchword that along with Fraternity and Equality they have repeatedly utilized to catch the unwary.

The only way a man could be FREE would be to live all by himself on a deserted island, like Robinson Crusoe did before his man Friday came along. However, as soon as even so much as a second person comes into the picture he is immediately restrained by that person's wants, actions, movements and exercise of HIS "freedoms". Their respective "freedoms" to do as they damn well please come into immediate conflict. Either a battle of extermination is joined, or they learn to negotiate a certain set of rules whereby they can agree to live peacefully in the same territory. They both learn that each has to respect these rules. Immediately their "freedom" is limited by these rules and since "freedom" by definition is UNlimited choice of action, it no longer exists. When we multiply this factor by the crowded billions of people that inhabit this planet Earth, we can readily see that our actions must of necessity be governed by a multitude of "rules" or laws and that any other approach is unthinkable.

Nor is the unlimited "freedom" of a lone hermit on a deserted island really one of unlimited choice, nor is it very desirable. Whereas he could do as he damn well pleases with no one to restrain him or interfere, actually such a hermit's options are very, very limited. He would not have the choice of conversing with his peers; he would have no choice of mating or raising a family, and therefore would have any and all such natural urges suppressed; he would have no book to read, none of the enjoyable accoutrements of civilisation; no baseball games, no opera, no concerts, no plays, no cars, no airplanes, no decent clothes, no fine housing, only a meager choice of food, and excluded from a million other choices that we as members of a civilized White Race are able to exercise and enjoy. So what is so

Propagandize! Proseelytize! Organize!

great about such isolated freedom? Such a hermit would be free all right— to live a lonely, bleak and primitive life like an animal and die by his lonesome self— "free" as a breeze.

This is neither the kind of life that we of The Church of the Creator aspire to, nor for that matter would very many of our civilized White Racial Comrades (A few twisted deviates might.) We Creators accept the fact that we live in a populated world of our peers and it is not our objective to be the last individual on earth, nor to be a lone hermit on a deserted island. It is our objective to not only accept the fact that we are a social animal living in a civilized White society, but to construct and organize that society in such a way that it will serve the best interests of the White Race. This "best interests" clause includes enabling us to live a HAPPY life, a life of QUALITY, one of CREATIVITY and PRODUCTIVITY and one that at the same time has contributed to the ADVANCEMENT of our precious race.

There are a few other drawbacks about the lonely hermit life I might enumerate while we are on the subject. (a) There are not enough "isolated territories" to go around for four billion people to choose from. (b) Such a life would be boring, meager, primitive and bleak. (c) It would, of course, be a one generation vantag[e, and be self-destructive of our race. So let us have done with this nonsense about "freedom", which, if it is not unlimited, is not freedom at all.

There is one other factor that I want to point out that we as Creators are gravely concerned about at this stage in history. It is this: that we the White Race in the last quarter of the twentieth century are entrapped in a fierce struggle for the survival of the White Race itself. It is a struggle in which the war of ideas is at present the most virulent, but as we repeatedly are assaulted and pushed further to the wall, will become more and more physical and violent, culminating in the physical extermination of the White Race. It is of minor solace to me for us to be known as the most freedom loving people who suffered genocide at the hands of their enemies.

In order to win the deadly war in which we unwittingly find ourselves embroiled, we must organize all our resources, physical, spiritual, mental and economic. In order to have an effective organization (any organization) we must have a chain of command, as does an army, as does General Motors, or as does any other organization. Now let me ask you, do you know of any effective organization in existence which is not based on leadership, discipline and obedience? Would any general before a life and death battle expound and lecture his soldiers on the boundless virtues of freedom, liberty, license, independence of action and that every man may damn well do as he pleases in the pursuit of his own whim?

No, I don't think so. No organization of any kind is possible if its members are obsessed with their own libertine independence, jealous of their own pompous individuality and over-preoccupied with the unbounded virtues of freedom. This does not make for organization, but for a disorderly and unruly mob.

Such mobs, obsessed with the Jewish inspired ideals of freedom, soon destroy themselves. If they do not destroy themselves, they within they are soon destroyed by the enemy from the outside who has a more realistic view of the world we live in, who does not cater to such

(Continued on Page 5)
WHITE TEAMWORK
idealistic nonsense, and is instead organized to the hilt. Like the irresponsible college students who spout all sorts of beautiful theories and idealistic claptrap, once out of the protective subsidization of their parents, these starry-eyed individuals soon change their tunes when forced to make their own way in the real world.

Therefore let us also take a closer look at the virtues and weaknesses of that much admired quality called "rugged individualism", because it does have both its negative and positive aspects. Let me say at the outset that we Creators admire and promote such qualities as perseverance, initiative, courage, in the face of great odds and similar strong traits of character. In fact, we have set forth many of these qualities in THE WHITE MAN'S BIBLE in the Creative Credo No. 68 "Creators & Creativity — What we are and what we are not". Certainly the qualities we have just mentioned are in large part those of a rugged individualist. Many of our early settlers, pioneers, trailblazers, farmers and others had these unique qualities, all of which helped "Win The West" and build America.

However, as our society becomes more crowded, and at this stage of history, more chaotic, super-individualism has been subverted and utilized by the Jews to turn White Man against White Man, to fragmentise, to create anarchy, to divide and conquer. The Jews have turned one of the White Man's finest characteristics into a weapon against himself, a weapon for his own destruction. They have turned the White Race into a leaderless mob of sheep, without unity, without direction, without goals, without a racial identity.

Instead of practicing teamwork, we have been tricked into fighting each other, destroying each other, all in the name of "individualism".

Not that most White people today — men or women — can be classified as rugged individualists — far from it. They are much less so than were our rugged forefathers of a century ago, or even 50 years ago. But the strange thing is that whereas in the areas of catering to Jewish fashions, Jewish ideas, or fetishes or trends, the present day White Man acts like a simple sheep. However, in those very areas where cooperation with his own White Racial Comrades would promote the survival and best interests of his own race, there, somehow, he has a thousand different and dissenting ideas.

Whereas the Jews will fanatically rally to the defense of Israel by the millions, the Cubans will hold vast street parades if even so much as one criminal is threatened with deportation back to Cuba, it is hard to get a meeting of a few dozen White people together and united for the defense of the White Race.

All this must change. The White Race has by far the most to lose. The White Race is Nature's Elite. The White Race is the Creator of all civilization and the Creator of all the great and worthwhile values that have been produced in the last several thousand years. We must save ourselves. No one else will.

What is the answer to this strange dilemma? The answer is simple as hell. We must practice WHITE RACIAL TEAMWORK as set forth in NATURE'S RELIGION and THE WHITE MAN'S BIBLE. Let us again reiterate a basic Credo we have set forth in Creative Credo No. 2 of the latter: **We must look at every issue through the eyes of the White Race, from the White Man's point of view.** Not through the Jew's eyes, not through the Jew's point of view, not exclusively from the White Man's point of view. The White Race is the one and only yardstick in every major decision that affects us. WHITE TEAMWORK is the order of the day.

In order to give this idea muscle we must organize — organize. Organized, aroused and united nothing can or will stand in our way. Organized and united we

Sign in our Library: Either Lead, Follow, or get out of the way.

will be ten times more powerful than all the Jews, niggers and mud races combined.

In order to become organized we must have leaders and followers, all imbued with the racial idea. In order to be organized we must be united. In order to be united we must forsake such Jewish ideas as Liberty, Equality, Fraternity for the basic idea of Racial Loyalty which requires dedication, sacrifice and responsibility. Yes, in order to become part of such an organization we must even give up some of our selfish individualism and funnel our own creative ideas into the goals and purposes that help serve our race as a whole.

I therefore suggest that we channel our natural urges for freedom to help obtain (a) freedom from the tyranny of our Jewish enemies (b) freedom of our minds from much useless and stifling clutter such as the 'spooks in the sky' swindle (c) freedom from fear of hell (which is part of this swindle) (d) freedom from financial slavery of the tyrannical Federal Reserve, which is nothing more than a gigantic counterfeiting ring, monopolized by the International Jewish bankers (e) freedom from confiscated taxation (f) freedom from involuntary servitude of being forced to support and subsidize all the mud races of the world (g) freedom from Jewish wars, pitting White Man against White Man. (h) freedom from pointless and undeserved feelings of guilt (i) freedom to raise a fine family of our own (j) at the same time enjoying freedom from want and poverty.

There are many other freedoms to strive for that I could enumerate. But now let us consider how we can channel our characteristic individualism into positive constructive activity instead of allowing it to be used as a Jewish tool to "divide and conquer" us. (a) One of the obvious areas we need individualism in is the LEADERSHIP field. Become a leader of your own group of White racist activists. In fact, become an ORGANIZED MINISTER of the Church of the Creator and form your own church group. (b) Use your talents to write copy, advertising, articles, letters to your local editor, etc., promoting the White Race and Creativity. (c) If you are not of leadership quality, help those that are ORGANIZE and RECRUIT. (d) Be a PROTESTER against every Jewish manifestation in our society — against school busing, against tyrannical taxation, against Jewish violations of our racial, religious and constitutional rights. You can make your voice heard by writing letters to the Editor of your local paper, as I have said before. This costs nothing and gives you a large audience.

There are any number of further channels we could list into which we can constructively channel our natural urges towards freedom and individualism but let us now come to a couple of our messengers:

**That message is this:** Instead of wantonly indulging in Jewish versions about freedom, liberty, fraternity and individualism we must face the realities of life. And some of the most stark realities of this last quarter of the twentieth century are these: (a) that the White Race is under vicious attack by the whole worldwide Jewish network; (b) the Jews are winning their war to destroy the White Race. (c) Few members of the White Race are aware that they are targeted for extermination. (d) Unless we soon change our stance we will be wiped out.

To counter this we must (a) Organize (b) Practice White Racial teamwork (c) In order to do so we must have a creed and a program to polarize around.

The Church of the Creator has now furnished such a creed and program in its three basic books: NATURE'S ETERNAL RELIGION, THE WHITE MAN'S BIBLE and SALUBRIOUS LIVING. We have thrown overboard once and for all the whole mess of Jewish-Christian gibberish that has confused, misled and paralyzed the White Race for the last 16 centuries. For the first time in its history the White Race now has a racial religion of its own on which it can build and prosper for the next million years. In CREATIVITY, I believe, we have the TOTAL PROGRAM, the FINAL SOLUTION, the ULTIMATE CREED.

We now come to our final point. If we are going to organize and unite, how with 10,000 or more "conservative", racial or religious organizations to confuse us — how can we choose the one and only? This is a difficult question. One of the main obstacles in this we find is that many White leaders suffer from what is called HUBRIS-overweening pride in their own production, even though it be a miserable failure. Too many of them will not unite for the common good of the White Race even though they know they don’t have the answer. They take the attitude — “If I didn’t think of it first, I don’t want any part of it.” This is, of course, a destructive and divisive attitude, and a luxury we can no longer afford. But to answer the question — I believe we have already answered it in the preceding paragraph, namely that the Church of the Creator is far and above anything that has ever appeared in the White Man’s history. It now has the total answer, the whole ball of wax.

Do we fall into this same category of being hubristic? I’m sure some will accuse us of such. So let us make our position clear. For twenty years I, too, wandered in the wasteland. Feeling that something had to be done I joined the Birch Society, I joined The Citizens Councils, I became a member of the Republican Party.

Russia, Israel and the United States

A Story of Perfidy and Betrayal, of Piracy and Mass Genocide

U.S.A. not fighting communism. One of the most flagrant and persistent deceptions that has been foisted on the American people since the Russian revolution of 1917 is that the American government is desperately but vainly fighting a losing war “against communism.” After more than six decades, most American people still believe this hoax, and remain perpetually confused as to why the United States, rich, powerful, morally superior to communism, is continually losing.

American Jews Power Center of Communism. The brutal truth is that the American power establishment—governmental, financial and propaganda-wise (all dominated by Jews) has not been fighting communism. The fact is communism is Jewish from its very inception. Communism is only one of the many powerful tools being utilized in the Jewish program of taking over the world. Not only has the United States not been fighting communism as most Americans are duped to believe, but on the contrary, the United States has been the chief financier, planner and promoter of communism, not only in Russia, but throughout the world. Without the financial support and technical aid of the United States the Jewish-communist outrage against the Russian people would have fallen flat on its face at its very inception, and many times over since then. In fact, it would never have been inaugurated in the first place.

Trained and Financed in New York. It is a fact of history that the final push for the communist take-over of Russia was lavishly financed and carefully planned by wealthy Jewish capitalists right here in good old U.S.A. There, on the East Side of New York, Trotsky and 3000 Jewish cut-throats were carefully trained to deliver the final coup-de-grace. The venture was financed to the tune of 20 million dollars by no less than (Jew) Jacob Schiff himself of the New York firm of Kuhn, Loeb & Co., an American branch of the Rothschild network.

When the time came, Trotsky and his trained Jewish revolutionaries were shipped by boat (in the middle of World War I) and arrived unhampered in Russia to do their job. Once there they knew exactly what to do, and when it was all over 30 million White Russians had been murdered and the Jews were fully in the saddle.

Communism is a Jewish Swindle. We must remember again and again that communism is nothing more than a horrible, vicious Jewish program to take over the world, camouflaged with deceptive “humanitarian” propaganda, as are most other Jewish programs.

Paid by American Taxpayers. The Jewish-Communist-Marxist-Zionist blueprint is all part and parcel of the same program. It is well financed not only with Jewish money, but more significantly with taxpayers’ money, of which the American taxpayer pays the overwhelming brunt. There is no greater source of goods, wealth and productivity than the working American taxpayer, and the Jewish potential for looting this tremendous source of productivity seems without limit.

Behind it the whole Jewish Network. The Jewish-Communist-Marxist-Zionist movement is tremendously powerful. Behind it are all the Jewish power networks of the world. This includes their vast worldwide propaganda network—television, newspaper, newswire, magazine, book printing, education and all the other accouterments that not only influence, but decide “public opinion.” Behind this Jewish movement also is the powerful “capitalistic” Federal Reserve System with its unlimited monopoly to print paper money at no cost to themselves. In short, behind it is the “hidden hand” of worldwide Jewry.

American Policy Hostile to Tatars. It is this power establishment that engineered the overthrow of the Romanov dynasty, a Viking dynasty that had ruled Russia for over three centuries, and replaced it by an ironfisted Jewish tyranny. In respect to American policy toward Russia it is interesting that prior to the 1917 revolution, United States policy was hostile towards Russia (as were the Jews). It enthusiastically favored Japan in the Russo-Japanese War of 1904-05, which the Japanese won. Once the Jews had clamped their vicious ironclad rule on Russia and its vast resources in 1917, United States foreign policy did a dramatic (but covert) flip-flop and became anti-Japanese and pro-Russian.

Benevolent after Commie Take-over. Despite all the propaganda, camouflage and window dressing to the contrary, it has been strongly pro-Russian (really pro-Jew) ever since. It was America who shored up the precarious communist government in the decade of 1920’s with food and other aid. It was American technical aid that built her dams and power plants, drilled her oil fields and built her refineries in the 1920’s and 1930’s. When despite all this aid the Russian behemoth was about to collapse of its own weight and rotteness in the early 1930’s, it was Roosevelt’s official recognition and extension of financial credits that again saved it from oblivion. When Hitler’s heroic armies stood at the gates of Lenningrad, Moscow and Stalingrad, again it was American military aid and direct intervention that saved communist Russia from being wiped off the map. Before the War was even over, the United States already began shipping vast quantities of aid, civilian goods—tractors, machinery, food, to the tune of 13 billion dollars. This, again, was all done at the expense of the American taxpayers, who pay for most of the cost of the Jewish worldwide take over.

Saved by America Again and Again. Since the end of World War II it was the United States who encouraged and promoted the Russian-Communist takeover in Eastern Europe. In fact, when Russia nervously hesitated in rolling her tanks into Hungary in that unhappy country’s revolt in 1956, it was President Eisenhower who specifically sent Premier Kruchev an encouraging telegram assuring him that the United States would not lift a finger to aid the Hungarians.

False, Deceptive Front. This has been the modus operandi of the United States-Russian relations ever since 1917. Officially the United States puts up a front of being “anti-communist.” Behind the scenes it has aided, abetted, planned, financed and promoted communist takeover throughout the world, whether it was in countries adjoining Russia in eastern Europe or whether it was in countries halfway around the world that were temporarily beyond the reach of Russian troops.

America aided Cuban Takeover. A good example of the latter is the “Communist” takeover of Cuba. Without propaganda aid of the American (read Jewish) press, Fidel Castro would have died an unknown bum, unheard of, and unsung. It was the American press, especially the Jewish New York Times that puffed up Castro as a native hero, as a liberator, as the Abraham Lincoln of Cuba, the George Washington of the Sierra Maestra, as a non-communist agrarian reformer, and temporarily sold him to the American people as such. At the same time our government put secret pressure on the then pro-American head of the Cuban government, Fulgencio Batista, to leave Cuba. Having been betrayed by the American government and the skids effectively put under him, Batista fled the country and Castro walked in with the full support of the American government and the American (Jewish) press. It was an interesting study in hypocrisy to see how we slowly “discovered” that Castro was a communist, a fact well known to the American government and the Jewish conspiracy, and the basic reason for the revolution in the first place.

Repeated Betrayal of American Interests. It is not my purpose here in this limited dissertation to review the history of Jewish betrayal of American interests and communist takeovers throughout the world. This could literally take a whole encyclopedia to cover. I only want to point out a few historical events that even the most naive American reader of the daily news is familiar with. In this regard I want to point the finger at only a few obvious glaring examples anyone can understand.

Betrayal of China. One of the most blatant swindles and of greatest worldwide significance was manipulated by the United States shortly after World War II, and that was the betrayal of Generalissimo Chiang Kai-shek and the vast population of China. Chiang Kai-shek had fought the Chinese communists in the early 1920’s and finally beat them at their game. He assumed control of the Chinese government in 1926 and was undoubtedly the staunchest anti-communist leader in Asia. He was
strongly pro-American and fought the Japanese on the side of America in World War II. As soon as this (Jewish) war was over he was treacherously betrayed by the United States.

Marshall a Communist Stooge. General George C. Marshall, who had been accorded every honor that could be bestowed on a military man short of becoming president, was sent to China to do the hatchet job in November of 1945. Although he was by now 65 years old, in poor health and ready to retire, he stayed in that miserable country for 14 months, selling out Kai-shek to the communists. That he would make such a personal sacrifice at his age is an indication of the tight communist discipline he was under and had been for most of his adult life.

Not possible without American perfidy. When Marshall left China he had negotiated a "coalition government" between the Kai-shek Nationalists and the Mao Tse-tung communists, and disarmed the Nationalist army, which he later bragged he had done "with the stroke of a pen." Needless to say, with the Chinese Nationalists disarmed and betrayed by the United States, Mao Tse-tung and his communist gang of cutthroats soon drove Chiang Kai-shek and the Nationalists from the Chinese mainland. By 1949 Mao was the undisputed communist master of China, the most populous country in the world. China, with its teeming 800 million people had been turned over to Jewish-communist control through American treachery. And so another country succumbed to betrayal, made so by the United States of America.

Huge Bloodbaths Followed. Shortly after the communists took over in China, huge bloodbaths followed. It is conservatively estimated that at least 60 million Chinese were murdered in the Mao Tse-tung purge that followed in order to consolidate his brutal regime.

Died a Traitor. General George C. Marshall, having faithfully done his treacherous duty to his communist masters, died shortly thereafter.

A few more recent examples should suffice to establish the pattern. Let's look at what has been going on in the Western hemisphere.

Betrayal of Chile. By 1970, in Chile an outright communist government had been established, headed by Salvador Allende. This had been achieved with the help of huge sums of American "aid," and especially the connivance of the American CIA. Then in 1974 the unexpected happened. The people of Chile, led by army officers, revolted, killed Allende and took back their government. Was the United States government happy at this triumph over communism? On the contrary, it stopped all aid, cut off credits and has carried on a vicious trade boycott and propaganda campaign against Chile ever since.

Panama Canal given to Communists. In 1979 the traitorous United States Senate and executive branch (the Carter Administration) turned over the American built and owned Panama Canal to a tinhorn communist government of dope peddlers and thieves headed by General Torrejones. Not only did they hand it to these criminals FREE on a silver platter, but they PAID them billions to take this, the most strategic waterway in the world. This despite the fact that the mail of some senators was running 200 to 1 against this blatant and treacherous sellout.

Treacherous sellout in Nicaragua. While this treacherous sellout was being promoted to the American people, the CIA was already busy using Panama as a base to run arms and revolutionaries into nearby Nicaragua and instigate revolution. Here again our perfidious American government ran true to form. Whereas the Somozas family, which had ruled Nicaragua for more than 40 years was strongly pro-American and anti-communist, the same year as we gave away the Panama Canal, Anastasia Somoza was blandly betrayed and sold down the river. With CIA, organization, money and arms, the country was thrown into utter chaos and turmoil, and finally with the United States telling Somoza to get out, he, too, fled the country. The communist "Sandinistas" took over and another anti-communist country was betrayed and turned over to the communist behemoth with the help of democratic "anti-communist" United States of America.

C.I.A. plays Vital Role. At this point it would be useful to point out the tremendous importance of the Central Intelligence Agency in most of the Communist takeovers. During World War II the Office of Strategic Services was organized as a super intelligence agency coordinating and superseding the different United States military intelligence agencies. It was heavily staffed with Jews, and was in reality a supra worldwide Jewish secret police. Like its Russian counterpart, the Cheka, the O.G.P.U., the N.K.V.D., the K.G.B. and various other name changes in between, so, too, the name of the O.S.S. was changed to the C.I.A. But essentially its character and purpose remained unchanged—it remained (and is today) a worldwide secret police and spy network in the employ of worldwide Jewry, with the American taxpayer again footing the bill. Not only is the C.I.A. a spy network, but it also acts as a powerful army of intrigue and deception, a strong-arm that not only spies, but uses force to make things happen.

Where are Power, Unlimited Funds. The bill the American taxpayer is enormous. With almost unlimited funds at its disposal and a huge army of manpower in its employ, the power and influence of the C.I.A. in the world at large is awesome and frightening indeed. Neither Congress nor the president really knows how many billions are spent each year by this powerful secret police agency. Nor are they aware of what capers or machinations they are engaged in. All this is cloaked under the guise of "secrecy," "national security," "protecting our agents." The C.I.A. is completely beyond the control of either the courts, congress or the executive branch. In fact, the visible members of the government are themselves frightened of, and very much at the mercy of the C.I.A.

A Criminal Army. Nor are there any limits to the tactics in which the C.I.A. may engage. Assassination, planting false propaganda, lying, stealing, murder, betrayal, planning revolutions, and "dirty tricks" of any nature are all in their routine arsenal of promoting the Jewish program. Nor is that all. Setting up dummy corporations, false political movements, printing a temporary newspaper, rigging elections, supporting political candidates and movements, destroying others, all of this is also part of their bag of tricks.

Operate on American soil also. Nor are their operations limited to foreign soil. Any American citizen who is loyal to his country, or is for the White Race, or wants to expose the Jewish conspiracy, or is anti-communist, is fair game for the powerful and treacherous C.I.A. right here in our home territory. They do in fact cooperate with the F.B.I. and in glove with each other they will infiltrate domestic organizations, political parties and build up or destroy any group, faction or individual they see fit.

Tool of the Jews. What they see fit is always in the best interest of the Jews and towards the destruction of the White Race.

Before we leave the subject of intelligence there are a few other arms of Jewish spying that I must bring to light at this point.

Mind police. Since the Jews for the last several thousand years have been carrying on the most vicious conspiracy in history, namely the destruction and takeover of all other peoples—they have been fanatic to the point of being paranoid about spying and gathering information on their enemies. And this is understandable. Since the hideous crime they are perpetrating is all based on secrecy and deceit, holding the lid on their conspiracy is a highly precarious business. So they fanatically enter into all kinds of devices, spy organizations and means of gathering intelligence that would stagger the limits of the Gentile mind. The Jews not only want to know what their enemies (everybody is their enemy) are doing, they also want to know what they might be planning. In fact, as far as is possible they want to know what everybody is thinking before such thinking might be translated into action.

Network of spy games. So they have all kinds of spy and intelligence networks operating throughout the world. Besides the C.I.A., the F.B.I., the Russian K.G.B. and others already mentioned there are two more that I want to point out, one in America, the other in Israel.

The A.D.L. The A.D.L. short for Anti-Defamation League, is in America. Ostensibly, it pretends to safeguard Jewish interests and prevent the spread of "anti-Semitism." Why the Jews should find this necessary when the English, the Germans, the Italians or other ethnic groups find such safeguards unnecessary, they have never explained. But in reality the A.D.L. is much, much more than that. Presumably an offshoot of the Jewish B’nai B’rith, it is really the main powerhouse of this Jewish outfit. In reality it is a powerful, well financed spy operation inside our own borders that not only gathers information on politicians, civic organizations, diverse individuals, but on anything and everything that (Continued on Page 8)
they so much as even suspect might blow the lid on the Jewish conspiracy. They have huge files and electronic computers that rival the F.B.I. and the C.I.A. itself and any information the F.B.I. or C.I.A. might have that is considered useful to the A.D.L. is readily fed to the latter.

Censorship Operation. The A.D.L.'s activities extend much further. They are extremely active in politics—promoting those useful to the Jews and destroying those that might be deemed uncooperative. They also monitor all books, magazines, newspapers, all news media, movements or whatever—anything that might effect the Jewish conspiracy—and this includes just about everything of any significance that happens in this country.

Plant Propaganda. They aggressively invent, if necessary, news stories and plant them into the mainstream of the news media—TV, newspapers, etc. They not only publish a great number of articles for dissemination, but they also publish a large number of books that are either favorable to Israel and the Jews or viciously attack their enemies.

The Mossad, super Spy network. The other Jewish spy organization that is of major worldwide importance is the one headquartered in Israel. It is known as the Mossad. It is the central Jewish intelligence gathering apparatus for the entire world. It is the super-supra spy network of all history. Anything the American C.I.A. knows that is useful to the Jews (just about everything) is funneled to the Mossad. There is hardly anything of significance that happens anywhere in the world but what it is shortly catalogued in the massive computers of the Mossad in Israel.

Deadly criminals. But the Mossad goes much further than just spying and gathering intelligence from all over the world. Like the A.D.L. it is virulently aggressive and continually on the offensive. It has well trained assassination squads that run rampant in most of the countries of the world, especially the United States. It sets up para-military organizations like the Jewish Defense League, or Jewish gun clubs trained to skillfully kill Gentiles. The members of Mossad have the run of the United States with little or no opposition from "our own" law enforcement agencies while they tap telephones, bug embassies, foreign diplomats, even the White House and any and every branch of the United States government. In short, not only the United States but the whole world is their undisputed territory, and the White Man, (their main victim) not only gives them no opposition, but pays the bill and hardly knows they exist.

Runs Rampant over World Governments. Undoubtedly the Mossad is the most dangerous, cruel and blood-thirsty gang of international criminals the world has ever known, running rampant and roughshod over all laws and governments throughout the world, with little or no opposition. Like the C.I.A., it is worldwide and parallels many of its operations with this difference: Whereas the C.I.A. is headquartered in the United States, the Mossad is headquartered in Israel; whereas the C.I.A. is manned by a mixture of Jews and Gentiles, the Mossad is all Jewish; whereas the C.I.A. freely shares its information with Mossad, the latter gives nothing to the C.I.A. It is strictly a one-way street, all leading to exclusive Jewish supremacy and tyranny over the "goy" of the world.

Before we leave this foul conspiracy of Russia, Israel, Jews and the U.S. government, there are two other aspects of this satanic combination that I must clarify.

Foreign Aid to Everybody. One is the issue of America dispensing foreign aid (taxpayer's money) to every sleazy panhandler in the world. At present I understand that we are handing out foreign aid to 116 countries in the world. This is one of the most insane pieces of piracy ever imposed upon any group of taxpayers in the history of the world. The American taxpayers have never had an opportunity to vote or express their opinion upon this blatant piece of thievery, but this continues year after year. For 35 years the American taxpayers have been bled white, and at this time there is no indication that it will ever stop or even lessen.

Supposedly to Bribe Countries out of Communism. The gimmick in this whole fraudulent swindle is this: It was inaugurated as the Marshall Plan to keep countries from "going communist". Its noble objective seemed to be to fight communism. In other words, we tried to bribe them, to buy them off, to wheedle them out of communism with cash, thereby supposedly winning friends for our side. That supposedly, was the idea, we were told.

Actually we are Subsidizing Communism. The realities were somewhat different. Actually we were propping up faltering communist countries, including the big one, Russia. Before World War II was even concluded we shipped over 13 billion dollars worth of domestic goods, including tractors, refrigerators and what have you. If we were trying to fight communism, why subsidize them?

Hostile to Anti-Communist Countries. In practice we were subsidizing communism, not fighting it. We used our tremendous wealth as a club to push countries into communism. We used it as a wedge to get our C.I.A. into their midst and maneuver their politics in such a way that the Jews and the communists would sooner or later gain control. In countries such as Chile where they did throw the communists out on their own (no thanks to the U.S. government) we would bear down hard on them, boycott them (as also in Rhodesia) and use economic pressure to get them back into the Jewish fold.

U. S. Betrays Friends, Rewards Enemies. As a result of all this fantastic give-away amounting to hundreds of billions of dollars, most of the countries of the world have completely lost respect for America. They intensely distrust us and never have we been hated so much by so many. And for good reason. The United States (controlled by Jews) has repeatedly practiced treachery, to both its own people and its foreign friends. It has consistently betrayed and punished its friends (such as Rhodesia, Samoza, Batista, Chile, etc.) and generously rewarded its communist "enemies." No wonder the rest of the world distrusts and despises the United States.

Germany under Military Occupation. The other matter is the keeping of American occupational forces in Germany for the interim period of 35 years after the defeat of a former enemy, something the United States has never done before in its history. This, too, is a gigantic swindle. We supposedly have the troops there to "protect" Germany from a Russian onslaught. The fact is Germany could have protected itself very well from communist Russia, and would have cleaned out that foul nest of vipers in the early 40's had we not interfered.

Real Reason: To Protect the Jews. The real reason our troops have been kept in Germany these 35 years and undoubtedly will remain another 35 years is to keep the German people subdued so they will not revive the Hitler movement and again turn on the Jews. In short, our troops are there for the sole purpose of protecting the Jews from the Germans and preventing the Germans from setting up a government of their own choice. Yes, that is the real and only reason, not to protect Germany from Communist Russia.

Artificial Bandit State. Now we come to that other nest of vipers, the bandit state of Israel itself. This artificial monstrosity owes its very existence to the combined money power of International Jewry, the C.I.A. the news media and the facade known as the "United States" government.

Total Parasite. We must remember that Jews are total parasites and do not really want to live in a country of their own. Parasites cannot live off of each other and must live on a productive host. For this reason Jews do not want to, and could not even if they did want to, live in a country of their own. For thousands of years they, more than anyone else have had ample opportunity to get together and build a country of their own. They never have wanted to and they never will. They remain eternally what they always have been — parasites.

Reasons for Set-up. So why did they go to such great pains to steal Palestine from the Arabs and set up this artificial monstrosity called Israel?

The reasons are manifold, all designed to aid and abet the Jewish program for the takeover of the world.

1. Probably the most important reason was to Bolster and Unify the sagging ideology of the Jewish rank and file. So successful and so affluent have the recent generations of Jews become that many of the younger Jews were fraternizing with and marrying Gentiles. We must remember that enmity, hatred and struggle have historically been the foundation that built the Jewish race and religion into the solid battering ram that has brought them the phenomenal success that they now flaunt. In too much success can also be the seed-bed of its own disintegration. With Zionism, the Israeli "Homeland" and the struggle-to-defend and expand Israel the Jewish people have created new enemies and thereby

(Continued on Page 9)
ISRAEL, U.S.

gained a tremendous boost of fervor and solidarity that has seemingly "confirmed" their religious myths and turned them into a tangible reality.

2. Israel was designed to become the center of World Government. In their plan to move the United Nations to Jerusalem and rule the world from Zion, "The law shall go out from Zion". It is their intent to rule the goyim from "Zion" where they can do so without any interference from alien surveillance or disturbances.

3. Having "Israel" and Jerusalem as their home base has given a religious and mystical quality to their movement of taking over the world. It convinces many of their own people as well as many of the Jews that the "God" is on their side and that the Jews are "God's chosen people". This is what is called a self-fulfilling prophecy which the Jews have been shrewd enough to turn into real power and into billions of dollars and cents.

4. It provides a safe and unmolested haven for that murderous super intelligence agency, the Mossad, which we have already described.

5. There are a number of other reasons the Jews have been advanced such as (a) the tremendous wealth of precious minerals contained in the murky waters of the Dead Sea, (b) The Jews (with the help of United States power) will expand and take over the Arab lands and rich oil fields of the Persian Gulf, (c) it is a place of refuge if world conditions become too hostile for the Jews, (d) other minor reasons.

It is my opinion that the first four reasons stated are by far the most important and the fifth category is comparatively minor, especially No. 5 (c) that it could be a refuge in a crisis. The fact remains that the Jews will always be a deadly parasite on the backs of the productive nations of the world, or they will be nothing. Once they are driven from power in the White nations of the world their whole power structure will rapidly collapse. Israel will rapidly collapse with it. In fact, the Arabs themselves would soon make short shrift of the bandit state of Israel as soon as the Jews lose their grip on the control centers of the White nations of the world, especially the United States.

Israel short lived without subsidization. The plain fact is that inside Israel itself there is turmoil, dissension, hatred and disintegration. The Jews have not proved they could build a nation of their own, or live with themselves. On the contrary, without the continual financial blood transfusions from Germany, the United States and other goyim countries, Israel couldn't last six months. Even with all this tremendous aid from the outside it has one of the highest rates of inflation in the world. The United States alone in 1979 subsidized Israel to the tune of $10,000 per family of four in Israel. On top of that Germany is paying reparations for the phoney "holocaust" to the tune of a billion dollars a year. The Jews in New York, Miami Beach and elsewhere raise $300 million each year for "Israeli bonds" (a swindle) and send it TAX FREE to Israel. On top of all this, we send them billions of dollars worth of the most sophisticated armaments in the world. All this to the detriment of, and at the expense of, the American taxpayer. Yet despite all this tremendous outside subsidization, Israel is a parasite, in a continual turmoil politically and in a precarious and faltering financial situation, a true parasite with no future of its own.

Summary. In summation we can safely conclude:

1. That Communism, Marxism and Zionism combine with capitalism to accomplish one and the same goal — the Jewish takeover of the world.

2. That the United States is not fighting Communism, but on the contrary, is firmly in the grip of the Jewish network using the wealth, power and prestige of the United States to betray and take over one country after another, all in the sham battle of "fighting Communism".

3. The C.I.A. and the F.B.I. are both the Secret police and the strong arm of the Jewish network. Never, never trust their agents nor collaborate with them in any way.

4. We need not look to Russia as the real enemy of the United States. The Russian people would like to get the Jewish-Communist monkey off their back as much as anybody and would have succeeded long ago if it had not been for the machinations of the United States. The real enemy resides right here in our own country, especially in New York and Washington.

5. Only by rallying the total power of the White Race and organizing it under a powerful racial religion such as CREATIVITY can we ever hope to break the back of the Jewish Marxist-Communist-Zionist tyranny.

The winds of change are at our door,
Opening wide, for us to see
The crowds so wonderful and bright
The crowds of wonder — all pure White!
Grandpa and Grandma. Mother and Dad;
Each one overwhelmingly glad —
Glad for the children, here, and to be!
A brilliant White Race, for all to see.
It's the best Mother Nature would ever create
It took thousands of years,
But it's never too late,
For, finally, we have declared our own war
War against Jews and other mud core!
We'll beat them in Washington, Moscow and Laos;
Watching each run like a scared little mouse.
Their dance to the wind, seeking a place,
But they'll never be able to stop our White race!
They've cheated, intermarried, murdered, but NOW
They're finished! It's over! And we'll tell you how!
Stand up and be PROUD. Don't wear sheets and a hood;
For hiding like criminals ne'er did any good!
So, UP with our Courage! UP with our Rights!
For the world will survive, and be claimed by the Whites!

A Letter from
a Prisoner

Dear Pontifex:
I cherish this fine day, as the date commemorates the birthdate of Adolf Hitler, the greatest Aryan of all history.
I recently had the pleasure of reading your book, "Nature's Eternal Religion". It was not really just a pleasure, it was an undefinable experience. It was almost a shock to my system to finally be in contact with such a graphic, verbally illustrated, unmitigating truth. As a young truth seeker, I have always prided myself on the use of logic, and bold straight analyses of events and history. Thus I have often found myself in direct opposition to the fringes existing around me in my own generation and circles.
There has always been a rather large void in my mind on many of the issues you have so clearly and adequately addressed in your book. I have never looked for a simple answer, but since reading your work I believe I have a better, more solid foundation which will compliment my own thoughts on the various issues of our survival. I find little if anything on which to disagree with you.
Your book has had a powerful, everlasting effect on me. It has brought forth feelings which I have long had, but never consciously recognized, and I have never seen or heard presented in such a way. You have reached in me a truth which is in the core of every Aryan man, but has remained dormant in the face of the fraud which has bastardized and corrupted the Aryan thought.
I would like to contact you sometime after my release (May 6).
There are certain Matters of importance I wish to discuss with you. I have abilities which I must contribute toward the survival of our great race of people. I have unusual drive and sales ability. I used it wrong one time, and paid the price. I won't do that again, I'm no good in prison.
Thanks again for sending your books into the prison. They have been put to work. For the Aryan race, J. H.
The Christian Version of a ‘Solution’

Apparently aghast that the White Race should have the gall to want to take charge of its own destiny, your editor has received the following plea from "A Concerned Christian":

Dear Mr. Klassen,

As a concerned Christian I would like to express my feelings concerning your idea of "Racial Loyalty".

In case you don’t know, God loves everyone no matter what color or skin color, yellow, black or white they are precious in his sight. Negroes, Jews, or Whites they are all the same.

Instead of organizing a army of supporters into a massive mighty battering and take control of as you call white man's destiny away from the Jews and put it in the hands of our own people you need to put your life in the hands of GOD. GOD is the only one who can accomplish and help us to accomplish that which is right. All you need to do is look around you and see the mountains, flowers, sunshine and the rain and you can see the work of my Lord. You are going to have to put a little love in your heart for mankind instead of so much hatred. All you have to do is believe and have faith and God will help you to get on the right road. Please pray about this. God loves you.

A concerned Christian (Not signed, but postmarked Gainsville, Ga.)

Editor’s Comment: If we should follow this kind of approach to the problem of survival of our race, why not follow this same approach to all other problems in life. Why work for a living? Let the (non-existent) spooks in the sky do it all for us. Why should we bother building houses to live in? Let the unseen, unheard spooks do it. Why make the effort to build bridges, roads, farms, airports, factories, etc.? Let the spooks take charge. Why should we make the effort?

Furthermore, let me ask this oh so "Concerned Christian" if the Jewish Jaheueh really has our best interests at heart, why does the Jewish bible repeatedly keep harping about how our mortal enemies, the Jews, are "God’s Chosen"? And my final question is: After two thousand years of Christianity and the 'spooks in the sky' insanity, is the White Race in a better, or worse position relative to the present flood of mud races that threaten to engulf our planet? When we compare how the virile White Romans of 2000 years ago were supreme in this world and the mud races of no consequence whatsoever, I believe we can safely conclude that after 2000 years of Christiansanity has been of no help whatsoever. It did however plunge the White Race into a thousand years of the dismal Dark Ages and has been a major enemy of the White Race ever since. It has added and abetted the Jews and put the skids under the White Race at every opportunity. The above letter is another typical example.

One major difference (among others) between a Christian and a Creator is that whereas a Creator’s first loyalty belongs to the White Race, that of a Christian is to a nebulous and mythical set of spooks whose whereabouts have never been located.

WHAT OUR LOGO STANDS FOR

The "W", of course, stands for the WHITE RACE, which we regard as the most precious treasure on the face of the earth. It is worth fighting for, and if necessary, worth dying for.

The crown signifies our Aristocratic position in Nature’s scheme of things on this Planet Earth. We are the ELITE, the most creative, intelligent and productive creature Nature has ever evolved in all the eons of time.

The halo indicates the value we place on our unique race. We regard it as a sacred treasure, holy above all others, and will defend its honor, purity and integrity against all enemies, whatever their origin.

THE THREE BASIC BOOKS OF CREATIVITY

Nature's Eternal Religion
508 Pages
49 Chapters
By Ben Klassen, P. M.
Published in 1973.

This book for the first time in the history of the White Race sets forth the fundamentals of a basic RACIAL RELIGION for the Survival, Expansion and Advancement of the White Race. It is based on the Eternal Laws of Nature, the Experience of History, and on Logic and Common Sense.

It exposes the whole panorama of the dastardly worldwide Jewish conspiracy, aimed at the genocide and extermination of the White Race. It lists the Five Jewish books that have had devastating influence on the thinking and the course of the White Man’s history. Among these books is the Old Testament and the New Testament of the Jewish-Christian Bible.

Best of all, it not only sounds the alarm, but blueprints a specific plan and program of how to extricate the White Race from its present calamitous predicament. It goes further. It presents a EUGENICS program for the future of the White Race to uplift it to the glorious heights of the Superman and beyond.

SALUBRIOUS LIVING
244 Pages
22 Chapters
Written by Arnold DeVries with the Introduction and last Chapter on “Eugenics and Survival of the White Race” by Ben Klassen, P. M.
Published in 1982.

The phrase and the idea “Salubrious Living” was introduced in The White Man’s Bible. Whereas nine chapters were devoted to this vital subject, it did not pretend to cover this vast subject even partially, and a promise was made to cover the ground more thoroughly in another book. Salubrious Living is that book. Whereas it by no means exhausts the subject, it covers enough of the ground rules and points the direction to a much more healthy, vibrant, energetic and fulfilling life here on the Planet Earth, and ties it into the rest of our religious creed.

 Basically it presents a NATURAL LIFE STYLE for achieving the ultimate in super health and well-being as taught and practiced by The Church of the Creator. At the heart of it are the 14 points enumerated as the basic creed of Salubrious Living.

This third “Bible” of our Trilogy rounds off the basic creed of A Sound Mind in a Sound Body in a Sound Society in a Sound Environment, that is the heart of CREATIVITY.

CREATIVITY AND CREATORS

What We Are and What We Are Not

In Harmony with Nature. CREATIVITY is basically a sound, healthy approach to living in harmony with the Eternal Laws of Nature. It is a combination of a philosophy, a Weltanschaunung, a discipline and a religion. Its basic design is a way of life for the White Race and the White Race alone. It encompasses every phase and activity of life from the cradle to the grave. It is a four dimensional religion whose fundamental approach is based on the idea of a Sound Mind in a Sound Body in a Sound Society in a Sound Environment. We endeavor to encompass the total spectrum of living. Above all, it is concerned with race and is truly the first real racial religion the White Race has ever had.

To Build a Better World. Unlike a variety of movements and philosophies that have plagued the world, it is a constructive religion. It does not merely criticize or tear down in order to be nihilistic. When we look at Communism, the hippie movement, Christianity and a host of other Jewish-spawned movements, we find their energy is directed toward tearing down the established order without a single constructive idea as to how to replace it with a better order, or build a better world.

Jewish Communism Nihilistic. Communism has been around for more than sixty years in Russia and its satellites. All it has produced is a hellish concentration camp whose inhabitants are sad, fearful, unable to utilize the vast natural resources of a great country that under the White Man and CREATIVITY could and would produce a veritable cornucopia of prosperity and good living.

Steeped in Fantasy. Similarly, Christianity, while decrying the "worldly" order, produced not a single constructive idea or suggestion as to how to build a better world order. It totally avoided the situation by exhorting its followers instead to seek refuge in a dream world, in a world of fantasy and waste their lives preparing for a "hereafter," a spook world of apparitions that existed only in the wild imagination of its Jewish scribblers. Nowhere in the Jewish bible is there a constructive word of advice as to how to build a better society, what kind of government is best, how to earn a living, or how to manage your own business, nor a single constructive idea about any of the myriad of other real problems confronting the average individual. Worst of all, it broke down the idea of racial values, making the most stupid nigger who had embraced their suicidal philosophy as vastly superior to a creative White Man such as Darwin or Edison, for example, who did not believe such trash.

All Jewish Philosophies Destructive to White Race. In short, most, if not all, prevalent Jewish philosophies wield power and influence because they are destructive. They go on the premise that it is a lot easier to burn down and destroy a building than to build it in the first place. They go on the proposition that in burning down the building they are wielding influence and attracting attention far beyond the little effort and few measly matches and gasoline it took to burn the building down.

Creative, Dynamic, Constructive. We of the CHURCH OF THE CREATORS are the very antithesis, the very opposite of all these Jewish movements and ideas. We are builders. We are constructive in our approach. We are productive, energetic, imaginative and creative and embody all those superior traits of the White Race that have been characteristic of our great race for thousands of years, but unfortunately have been subverted and thwarted by the Jewish pestilence that has plagued us since the dawn of civilization.

Recognize and Destroy our Enemies. Unfortunately, whereas the illustrious White Race has in its tortured past never fully recognized or understood that plague, it is one of the most fortunate and constructive features of CREATIVITY to recognize, understand and promote a dynamic program for the destruction of this sinister plague, root it out once and for all, and rid mankind of it forever.

Based on Race. But beyond that we have a viable, dynamic and practical program to build a new world for the White Race in which the key phrase is A Sound Mind in a Sound Body in a Sound Society in a Sound Environment.

In summary we can point with pride and say about CREATIVITY:

1. It is a Racial Religion that embodies the best values of genetics, philosophy, economics, art, literature, the health sciences, government, morality, the environmental sciences and all the other facets of living that the White Race has accumulated through experience over the millennia.
2. It is a movement for the Survival, Expansion and Advancement of the White Race and the White Race alone. Its key criteria is: What is Best for the White Race. What is good for the White Race is the highest virtue: what is bad for the White Race is the ultimate sin.
3. Instead of perverting the thinking of our supporters to a phantom world of the never-never land, our religion concentrates on life on this earth, the only domain man has ever, ever been known to live, spiritually or otherwise. We aspire to make life on this earth richer, fuller, grander and more rewarding than any civilization that has ever existed.
4. Whereas we concentrate on the here and now, we also place great importance on the past and future of our race. We regard our race as a long endless golden chain of which we of the present are only a link. We honor our prestigious ancestors and we plan and prepare for our tremendously superior progeny of the future.
5. CREATIVITY is so designed that the White Race can thrive, prosper and advance for the next million years.
6. This we can confidently predict because CREATIVITY is based on the Eternal Laws of Nature for its own survival, for the survival of, and perpetuation of its best, rather than the sickly creed of the Jewish religion which promotes the survival and expansion of the worst elements of our race to the detriment of our best elements.

The Essence of a CREATOR:

1. A CREATOR puts loyalty toward his own race above every other loyalty.
2. A CREATOR is responsible, productive and constructive.
3. A CREATOR places a high value on honor, and self-respect, and will defend his own honor, the honor of his race and of his family at all costs.
4. A CREATOR recognizes both love and hate as the two most powerful driving forces in life: that both emotions are healthy and essential to life, and to possess only one and be deprived of the other is to be as crippled as a bird with only one wing.
5. A CREATOR realizes that both love and hate, in order to be constructive, must be directed in the proper channels and to do otherwise is destructive and suicidal.
6. A CREATOR therefore makes a careful distinction between his loved ones and his enemies. He loves, aids and abets those of his own race and his own kind, and he hates his enemies, namely Jews, niggers and the mud races.
7. A CREATOR is eager, optimistic, aggressive, energetic, and self-sacrificing for the best interests of his people.
8. A CREATOR strives to keep physically fit and keep his body in the best of health at all times.
9. A CREATOR is inquisitive, adventurous, and has a cheerful zest for living.
10. A CREATOR is tough, tenacious, resolute, persistent, persevering, indomitable and indefatigable as were the Ancient Romans.
11. A CREATOR is practical, down to earth and concentrates on those goals and activities that are meaningful and worthwhile.
12. A CREATOR is brave and courageous and always a proud credit to his people.
13. A CREATOR places a high value on ATTITUDE, strives continually to maintain a healthy, positive and dynamic attitude towards life.
14. A CREATOR is an ACHIEVER and a PRODUCER.
15. A CREATOR is a problem solver.

What A CREATOR Is Not:

1. A CREATOR is not gullible, and does not easily accept any statement, belief, assertion or assumption that to him is lacking in proof and/or is unreasonable in the light of his own experiences.
2. A CREATOR is not superstitious and disdains belief in the supernatural. He will waste no time giving credence to, or playing silly games with imaginary spooks, spirits, gods and demons.
3. A CREATOR is not interested in the future or welfare of the mud races, and shuns race mixing or any social intercourse whatsoever with the inferior mud races.
4. A CREATOR shuns sexual deviation.

5. A CREATOR does not whine, complain or indulge in self-pity, but instead faces problems realistically, gets to the root of problems, and determines to solve them.
AN AMERICAN PHENOMENON

Rooted in American Soil

We want to make one thing clear. Creativity is neither a foreign import nor of alien origin. It is a genuine native American phenomenon. It is not a rehash of the National Socialism of Hitler's Germany, nor is it another offshoot of Jewish Christianity. Its roots are firmly planted in American soil. It is a White Man's religion, a racial religion, as American as apple pie, as motherhood and the Fourth of July. It originated in America, and carries forward the pioneer spirit as exemplified by "the Winning of the West" and the idea of "Manifest Destiny" that drove the White Man forward with zeal and exuberance in the 19th century. It won for the White Man a great continent.

Read again Creative Credo No. 32, "The Winning of the West" in the White Man's Bible, and Chapter 10, "Manifest Destiny", in Nature's Eternal Religion. It is this same spirit of adventure, conquest and creativity that propelled the White Man forward to not only conquer a continent but build a great home and empire for the White Race that is at the heart of CREATIVITY.

What we are saying is this: If the White Man's drive in the 17th, 18th, and 19th century to colonize the North American continent was so constructive and productive in terms of freedom, land, wealth and empire, why not pursue that same course on a worldwide basis, in a world that is now rapidly shrinking and crumbling before our eyes, a world that is stridently hostile to the White Race and hell-bent on its utter destruction.

We Creators say it is a magnificent idea to pursue the course of our pioneering forefathers, and we regard failure to do so as a miserable crime of omission. Such crime will most surely result in the death and oblivion of the White Race itself, and is a dastardly crime against our ancestors, against our future progeny, and against the present generation of the living.

In the 1930's, Hitler succeeded in uniting the German peoples. The sacred mission of the CHURCH OF THE CREATOR is the uniting of all the peoples of the White Race.

The Jews openly brag that they spawned the world's three major religions, namely Judaism, Christianity, and Mohammedanism, to list them in chronological order. The Jews, who are master mind-manipulators, the master sneak of all time, have some valid arguments for making such a boast, to their credit and to the detriment of their victims.

Out of Palestine, from this small desert pesthole of the world, has spewed forth more destructive poison to derange and warp the minds of men than all the rest of the world combined. Palestine, we must remember, is not in Europe, nor

(Continued on Page 2)
AMERICAN PHENOMENON (Continued from Page 1)

in Africa. It is in Asia, and its peoples are Asiatics. We must also remember that the Jews were, and are, Asiatics. They are not White, but yellow Semites, as are the Arabs and other mud peoples.

The Jews, who are not creative, did however, early in their history recognize one thing: the vital importance of RACIAL LOYALTY. They designed a racial religion around the cock-and-bull story of Abraham, Isaac and Jacob as being their common ancestor. There is absolutely no historical evidence whatsoever that such repugnant characters ever existed, any more than there is any evidence that Mother Goose or Santa Clause ever existed. Personally, I doubt very much that they ever did exist for the same reason I doubt Mother Goose ever existed. For the same reason I doubt that Moses, Jesus Christ, Jonah, his whale, and a host of other mythical characters ever existed. There is not a shred of evidence that they did. There is only a much touted collection of Jewish claims. Since the Jews are the world’s most accomplished liars, such claims impress us CREATORS very little.

One aside about their mythical ancestors of Abraham, Isaac and Jacob is worthy of comment. According to their own story as set forth in the Old Testament, every one of these characters (and most of their future offspring) was a reprehensible, repugnant scoundrel, a whore-monger, a murderer, a thief, a liar and a cheat. If you don’t believe me, read again the stories of Abraham, Isaac, Jacob, Lot and his incestuous daughters, Judah and his daughter-in-law, and all the rest of this shabby tribe. (Also read Chapter 10, Book 1, of NER, “The Old Testament”)

Which brings up a few questions: With a background like that, mythical or otherwise, why would anybody want to brag about having such repugnant reprobates for ancestors, and then want to build a religion around it? This is a question not only the Jews should ask themselves, but a lot of White Christians who wish they were Jews. Included among the latter are all those of the Identity movement, the British Israelites, and a whole passel of other related groups who have fallen for that silly nonsense and stupidly claim “we are the true Israelites”!

The other question is this: With such a collection of repugnant cutthroats and criminals running loose and supposedly recording their shabby “history”, why would any God or god lay claim to such people as being “his chosen”? Stupid, stupid, stupid.

But then we must remember that the Jews are the worlds most notorious liars, and gullible fools are born every minute. All that be as it may, there are some sinister reasons for the Jews doing what they did. What they did had profound ramifications on their own history, and more tragically on the history of the White Race. These master mind-manipulators, through their sleazy concocted religion, strange as it may seem, did accomplish the following:

1. They united their own miserable band of cutthroats into a solid battering ram that over the last 3000 years has conquered, and now dominates, the world.

2. Out of this concoction of lies about Abraham, Isaac and Jacob, they forged a religion, a race and a nation whose core polarizes around the central idea—What’s good for the Jews is the highest virtue; what’s bad for the Jews is the ultimate sin—based on their idiotic claim that they were “God’s Chosen”.

3. As a secondary offshoot of the Judaic religion, the Jews concocted Christianity for the Gentiles, and specifically for the destruction of the then dominant White Roman empire. This religion taught just the opposite to the White Race, namely, blessed are the meek, sell all thou hast, love your enemies, turn the other cheek, judge not, and a lot of similar suicidal nonsense. The spokesman of this poisonous diatribe was the Jew, Saul of Tarsus, later to become the Christians’ St. Paul.

Again, due to the solidarity, aggressiveness and fervor with which the Jews pushed this teaching, strangely enough, the Romans bought this poison, and a few centuries later their empire, their race and their beautiful civilization collapsed miserably and the Dark Ages with its ignorance, superstition, crime and poverty ensued for the next thousand years. (Read Ch. 16, Book 1, of NER, “Christ’s Existence not substantiated by Historical Evidence.”) 4. As a further weapon to counteract and destroy the White Race, Mohammedanism emerged out of this same small pesthole of the desert (Palestine) in the seventh century. It did for the Arabs, Semites and other mud peoples, what Judaism had done for the Jews. It polarized and solidified these mud peoples into a solid battering ram that became a major threat to the White peoples of Europe and the world. Whereas the Jews did not invent the Moslem religion, they had a strong hand in promoting it, and its basic roots, too, derive from Judaism, Christianity and the Old Testament. (For further information see Ch. 11, Book 2 of NER, “Mohammedanism, the Power of a Militant Religion.”)

I give this short review to remind my White Racial Comrades that the origins of Judaism, Christianity and Mohammedanism are Asiatic, a product of a hostile and alien race, and have been imported into Europe, into America and the rest of the White Man’s domain. (Read also Ch. 9, Book 1 of NER, “Five Jewish Books”)

When Columbus again discovered America in 1492 (The Norsemen had been there 500 years earlier) it released a veritable flood of White European colonization over the next 400 years. The most constructive, the most productive of that drive was that of the building of the United States of America. What the White Man accomplished especially in the 19th century in forging a home for the White Race by building a White empire from the Atlantic to the Pacific is a glorious epic that has never been equalled in the history of the White Race, or any other race.

How did the White Man achieve this tremendous accomplishment? The answer is simple. All we have to do is look at our own American history.

1. He did it by colonization and conquest— the same process as by which all other empires in all history have been built, First, the conquest of land and territory itself, and secondly, by doing that which the White Man does best — building a constructive country, government and homeland.

2. In order to do so, he had to rout the savage peoples who then inhabited the land, and clear it for the colonization of his own. This he did in a sporadic and disjointed, but nevertheless relentless program, until he was master of all the territory from the Atlantic to the Pacific oceans. Had the White Man then had a racial religion instead of being obsessed with Asiatic Christianity, he would have done it faster, more effectively, and much more permanently.

3. In pursuing his program of “Manifest Destiny” he built on the American continent the greatest, most productive, most affluent society the world has ever seen. It is a society that now in the latter part of the 20th century, due to lack of purpose and cohesiveness, is rapidly falling to pieces as did the Roman Empire 1500 years earlier. And for the same reason. The White Man has lost his soul, due to the Asiatic Jewish poison with which his society is pervaded.

This Asiatic Jewish poison is being sown upon the White American people today with a new virulence unequalled in all history. This takes not only the form of religion, but every other stop is being opened to destroy the White Race, not only here in America, but on this whole planet Earth. The Jews have openly bragged that in another generation or so, not another unpolluted White baby will be born. (Cont’d. P. 11)

Dear Pontifex,

I was happy to receive your monthly newspaper and to hear from you. I don't have too much money right now, but I am enclosing a money order for $25.00. I've loaned out or given away all the copies I had of the White Man's Bible. I would appreciate it if you would send me another copy or two of the White Man’s Bible and anything else that $25 will purchase. I greatly appreciate what you are doing and wish I could help you more — but for the time being I am not able to help much.

I wish you all the luck in the world, Ben, and I mean it. Take care and so long for now. Hope to hear from you soon.

Your White friend,

George Florida

Dear Rev. Becker,

Thank you for your letter. I have received my membership card. Enclosed is some literature that you may find interesting.

Have heard pastors speak so much about the Jews and Israel that I became disgusted with their outlandish tales, using all their T.V. and church time trying to influence me to believe that all Israel does is for my own good. I am glad to be with a church in which I do not have to hear what the Jews are doing is for my good.

All hell is going to break out in Israel and you talk about a holocaust, there is going to be one like they have never seen. The bad thing about it is, a lot of Americans are going to be killed and we will have them on our doorstep. When this happens, hope we will be so organized that we can do something about it.

The Jews were always starving and had no other contrivances to get food. They could not feed themselves. So the Bible says.

R. G. Georgia

Dear Pontifex,

Enclosed please find my check for $8.50 for which send me fifty copies of your paper Racial Loyalty. I am sorry I cannot do more but I am an old man on a limited income but I agree with everything you say and no one has done a better job of helping the cause than your summation of the most unmitigated race of liars in the history of man.

Yours,

V. L. T. Arizona

Dear Henrié and Ben, Really & truly — The first historic edition of “Racial Loyalty” is superb! It’s done with such elite class, and not one “hide-your-head-under-a-bushel” White could take offence. I’m so proud of you both. I told you when I was still in the East that you are responsible for totally changing my way of thinking. The only way I can describe it is in the words of the notorious black communist scum, “Dr.” Martin Luther King, FREE AT LAST!

When I inherit my millions, I’ll send you 10 per cent. You’ve saved my life and I’m looking forward to 70 years more!

“The Flat Tire Syndrome” is terrific, but then everything you've written is terrific. Keep on keeping on, or as the poet said, “Grow old along with me. The best is yet to be.”

All my love,

A. Pleiad, Arkansas

Dear Ben Klassen:

Thanks for the initial copy of RACIAL LOYALTY. I hope you succeed, but I am not sending you any money at present.

Some years ago, I got ‘Nature’s Eternal Religion,’ but never finished it. The general idea — the importance of the White Race is good. As you point out, it is the greatest of them all. Unless there

A Friendly Word from Your Editor

In publishing this paper we have a multitude of purposes in mind, but there are two that predominate:

1. To inform and encourage our existing members and supporters to build the White Racial movement known as CREATIVITY, and

2. To act as an effective flyer for mass distribution to our White Racial Comrades who have never heard of us before.

Of these two, we are placing major emphasis on the second objective. This paper is designed basically for the purpose of alerting and recruiting new members to our cause. Whereas not every White Racial Comrade may at present be receptive to our cause, nevertheless there are millions out there who are receptive, who are fervently looking for a solution for which we have the answer — a racial answer. There are millions out there who have never heard of CREATIVITY or of the WHITE MAN’S BIBLE. It is your beholden duty to reach those millions and the best way to do so is to distribute copies of Racial Loyalty. It is one of the most constructive actions you can take.

Order 100 copies of either this July issue, or the Historic First Edition which came out in June. Distribute it to your friends, your relatives, even your enemies if they are inclined to be receptive. Distribute it at shopping centers, colleges, airports, laundromats, even Christian churches! You’ll be doing your White Racial Comrades the biggest favor of their life. Do it now. Order 100 copies for $15.00 or 50 for $8.30.

Remember, the future of the White Race now hangs by a thread. If you don’t take action, who will? A mere 10 million White Man’s Bibles in the hands of our White Racial Comrades would see us well on the road to victory, an extremely small price to pay in comparison to the hundreds of millions the Jews loot from us every year.

We have to get these first 10 million Bibles out, and the paper you now hold in your hands is the most effective vehicle with which to do the job. We can do it, and your sacrifice and dedication are the key to victory. Become a mini-distribution center for our White Man’s Bible and for Racial Loyalty.

Editor's comment: Since you challenge my right and/or my judgment in publishing the letter of "A Concerned Christian" and raise several other questions, I believe it would be constructive to answer those questions.

I published that particular letter among dozens of others because it is typical of the Christian approach, and that is this: When it comes to "sowing" niggers in Africa "for the Lord", or avowed enemies of the White Race anywhere in the world, they will break their necks to do so. They will gladly spend untold sums of money, travel to any country, anywhere in all of the service of the unseemly spook. No effort is too great, no price too high. All this for a flimsy Jewish fantasy that has no more basis in reality than the story of Mother Goose or Santa Claus.

But when it comes to a finger toward saving Nature's Finest, the White Race from a very real and present danger, namely extinction, then they are strangely supine, lethargic and resigned. Leave it to the unseen and unheard spook! Let him do it. Not only do Christians become Christianized as hell with their money, but actually become extremely obnoxious in denouncing and road-blocking those of us who are doing something real and meaningful in behalf of the survival of our race. And this is not just a few; it has been reported corresponding with you off and on, for ten years. In your last letter you say "I hope you succeed, but I am not sending you any money at present," I don't know how ardent your wishes for our success are, the fact of the matter is you haven't given me any money in the last ten years, and I expect none from you in the future. (I'm sorry — I'm wrong! About seven years ago you sent me a dollar for some reprints.) A long time ago someone sent me an article extolling your financial situation, stating that your wealth was estimated at somewhere around 50 million dollars. How accurate the article was I have no idea. But since you are past your 93rd year, I have a pretty good idea where it will be going. I will probably return to the Jewish IRS, who will then relay it on either to Israel, or will use it here in their diabolical campaign to destroy the White Race. The balance of it will probably go to the (Jewish) Christian churches who will utilize it to further their race mixing and/or help promote Israel and Menachim Begin.

Of one thing I feel confident — None of it will really go to help save the White Race from oncoming genocide, despite your professed interest in saving "the country." What country? Of what use is this country to the White Race? A territory infested with wall-to-wall niggers and perpetually milked by Jews? If the above is a harsh indictment of your position, I regret offending your sensibilities, but it is highly accurate not only of yourself, but manifestly the situation of the White Race Comrades who are addicted to Jewish Christianitly and can't see beyond their noses.

You have the gall to accuse me of "dividing" the White Race. Where have you been for the last 2000 years? Haven't you been reading history? Haven't you ever heard of the Thirty Years War and thousands of other religious wars in the name of Christianity? Haven't you ever heard of the St. Bartholomew Day Massacre? Haven't you heard of the 400 years of bloody warfare between Catholics and Protestants in Ireland? The Thundercumb and Ireland? (If not read Creative Credo No. 51, page 326 in the White Man's Bible for the latter.) Don't blame me for the fragmentation of the White Race; I'll be happy to work with it. The White Race has been divided seventeen ways to Sunday since Jewish Christianity came along, and even long before that. But it wasn't until Christianity came along that the White Race went into its high gear in its fragmentation and its integration. I'm sure you have heard of the 1000 years of the Dark Ages soon after the advent of Christianity? If Christianity is such a unifying force, why hasn't it done its job over the last 2000 years? And the answer is: because Christianity is as Jewish as the Jew, and As is Judaism and Communism, it is forever an imperable foe toward the survival of the White Race.

For a man of your intelligence to profess to be both for Jewish Christianity and the White Race is the highest of hypocrisy. It is as idiotic as a race-car driver ever receiving LeMans 500, who has one foot on the accelerator and the other pressing even harder on the brake. It is a no-win situation. But the strange thing about these dual loyalists that profess to be for both the White Race and Christianity is that their overwhelming loyalty is forever heavily weighted towards the spoops in the sky and hell with the White Race.

This being so, we of the Church of the Creator have come to an untenable conclusion. If telling the truth about the spoops in the sky sunder "offends the sensibilities" (I believe this is the phrase used) then so be it. Let them indulge in their mental hang-ups to their heart's content. We will not falter, nor will we let them road block us in our fight for the survival, expansion, and advancement of the White Race. Not only have the dual loyalists never been of any help, but on the contrary they have repeatedly confused the issue, wasted our time and tried to torpedo us at every opportunity, all the while feigning sympathy for our cause.

With friends like that, who needs enemies? In denouncing Racial Loyalty, the Christians have been even more vociferous than the Jews.

So, Mr. Layton, let your millions go to the IRS, to Israel and towards perpetuating the sorry spooks-in-the-sky suicide. Somehow, we will get along without your help. In any event, we know where our unalloyed loyalty lies and we will pursue it until either we are dead, or we have made the world a safe place for the survival, expansion and advancement of Nature's Finest — the White Race.

One Man's Religion

Dear Pontifex,

This is a letter that I sent to Senators Symms, McClure, and Helms, and Representatives Ron Paul, Larry Craig, and George Hansen — so far. If any reply, and you're interested, I'll be sure to let you know.

C. A., Idaho

The writer is a 70 year old retiree, living in Riggins, Idaho.

Lately, I attended a small meeting of some 10 other retirees in Spokane, WA. Washington. Although strictly informal, to me, the research and self-education of those attending was an amazing revelation.

The conversation centered around the bombing of our embassy in Beirut. They wished, for the time to remain anonymous, but I volunteered to write, and ask you to answer some of their questions. Succinctly and to the point these questions are:

1. How much money did it cost our government (or rather, the American taxpayer) for the state of Israel to blow up our embassy, kill the top four CIA officials, and all those other innocent persons? (NOTE: We concluded it could be no one but the State of Israel for the following reasons, i.e., a.) the attack was financed basically for the creation, preservation, and expanding of the State of Israel. The Zionist Jews have always killed and annihilated their 'friends' first.
   b.) No one but the Mossad Israeli Intelligence could have known the top four CIA officials were present in the building.
   c.) The news-come-up and play down, is the same as when in 1967 they attempted to sink the US Liberty and kill all 200 on board. The news media and TV are dead-

2. Since laws enacted in the late 1940's by congress created the CIA (notoriously refers to the Office of Soviet Stagyes) later changed to other names, and finally to the C I A, was only for the purpose of creating, saving and expanding the State of Israel — WHY, pray tell WHY would they want to kill the four top men in the CIA? Had they not been doing something adverse to the wishes of the Zionist State of Israel?

3. Since Congress also has enacted legislation, allowing the CIA to get, have, and obtain (at its sole unlimited discretion) all the money it needs from the U.S. Treasury, with no accounting to congress, the president, or the people, wasn't this the money which created, sustained, and made the Mossad, the Berth Shinn, and the A D I the best intelligence agency in the world. And isn't this why they knew the top four CIA men were in the Embassy? In fact, didn't they arrange for the four men to be there? Was this how the Mossad was telling the CIA what was going to happen to them, if they didn't do as they were told?  

4. Is this action, also meant to inform Congress (and all it's attendent members) what will happen to them, should they act in any way adverse to Israel's interest? Instead of dynamite or nitroglycerine, is this how Congress hopes the US hydrogen bomb could get them all, just as the four CIA men met their ends in Beirut?

We do feel like, not only ourselves, but the American Public are entitled to the answer to these questions.

And we expect an answer from you personally, not some Jewish employee or sympathizer in your office, given the duty to answer all "idiot mail".

The main reason we expect personal answers, is because, although I personally write this letter — it, and your answer are going to be widely distributed to much of the media and interested persons.

In effect, what the paramount question in this letter is all about, is Does Congress NOW, have no other purpose to exist — other than for the interest, funding, and forever and ever the expanding of the state of Israel, Communism, and the International Banks, which of course, are all one, and the same thing?

GUIDE TO PHYSICAL FITNESS

By Rev. Tim Gaffney

As members of the Church of the Creator, we advocate "salubrious living" for the White Race: a sound mind and sound body in a sound society in a sound environment. No other creed for the White Race has been as encompassing as Creativity.

For the sake of this article, we wish to discuss "a sound body." First off, for those who have not done so, purchase and read a copy of our book entitled SALUBRIOUS LIVING. Chapter 14 of SALUBRIOUS LIVING is the basis of this article.

The exercise program is one which promotes cardio-vascular fitness (heart, lungs, circulation) as well as muscular fitness. In addition to sports and recreational activities (tennis, bicycling, handball, baseball, etc.), your exercise program should include running (and/or swimming) and weight-lifting.

Running promotes cardio-vascular fitness and, to a lesser degree, muscular fitness. Running is ideal for individuals of all ages, and anyone can do it. Start off slowly by sprinting (running 100 meters, walking 100 meters, running 100 meters, walking 100 meters, etc.) for four to six weeks. Eventually, you should build yourself up to running 1 kilometer (about 6 / 10 mile) at least three times weekly. After this becomes fairly easy, you should keep building your running distance. You are making excellent progress if you can increase your running distance by 1/4 to 1/2 kilometer each week. You should strive for a goal of 4 to 5 kilometers. Once you have mastered running 4 to 5 kilometers three times a week, you should work on your time. Time each run, and work on improving your speed each run.

The following important points should be taken into consideration when running:
1. Try to run when traffic is light, preferably in the early morning, to avoid traffic hazards and vehicle emissions;
2. If you have access to an outdoor track (most outdoor tracks are 2/5 kilometer or 1/4 mile), use it;
3. If you run in the darkness, wear bright clothing;
4. Wear running shoes with good support;
5. Dress according to the weather; when it is hot outside, wear light clothing; when it is cold, cover as much of your face and body as possible; 6. Don’t run immediately after eating — wait at least 1 1/2 hours;
7. If possible, run with a partner;
8. Perform stretching exercises before and after each run.

Weight-lifting (exercising with barbells and dumbbells) promotes muscular fitness and, to a lesser degree, cardio-vascular fitness. Most people do not use all their muscles. Even laborers use only certain muscle groups. Weight-lifting, if done properly, promotes development of all the muscle groups as well as the internal organs.

Weight-lifting is for almost everybody. Even those that have been sedentary for years can make great strides toward total muscular fitness through training with weights. The youngest age at which one should undertake a weight-lifting program is 13 or 14 years.

We can only give a synopsis on weight-lifting in this article. However, for those who intend to take up a serious weight-lifting program, there are many fine books on the subject. Two books recommended by this writer are THE BARBELLS WAY TO PHYSICAL FITNESS by Bruce Randall, a former Mr. Universe, and THE EDUCATION OF A BODYBUILDER by the renowned Arnold Schwarzenegger. NOTE: We recommend the exercise programs in the above books, but we do not endorse the nutritional programs set forth in these books.

When you start training with weights, begin slowly. If you have never exercised with weights, or haven’t done so in years, start by doing calisthenics (no weights) for at least three weeks.

You should begin by using weights that you can handle comfortably, but you should be exercising yourself by the eighth repetition (rep) of each exercise. We shall not detail types of exercises, but we recommend you study the above mentioned books for specific exercises.

For the first two weeks of your weight-lifting program, you should perform one set (10 reps) of each exercise. Your initial exercise program should include at least one exercise for each muscle group, and you should exercise three days a week with at least one rest day in between each exercise day. After three weeks of the above program, you should have increased your strength and endurance to the point where you are doing two sets of each exercise. And after another three weeks, you should be doing three sets of each exercise.

After six to eight weeks of weight-lifting, you can begin increasing the number of exercises you are performing as well as the heaviness of the weights.

Combining the running and weight-lifting programs, you will notice your appearance has improved, you feel healthier, and you are more confident of yourself. The following points should be taken into consideration when undertaking a weight-lifting program:
1. Start with light weights. Form is important but as you progress, increase the weight you are lifting;
2. If you do not work out at a supervised gymnasium, lift weights with a training partner;
3. Wait about 1 1/2 hours after eating before lifting weights;
4. Dress properly (according to weather), and wear an athletic supporter;
5. Perform calisthenics and stretching exercises before and after you lift weights.

Remember, running and weight-lifting are excellent forms of health building exercises in and of themselves, or they may be used to supplement other athletic activities. But they are an integral part of our program to build a stronger and healthier White Race!

The Fourteen Basic Guidelines of Salubrious Living

In order to define our program of Salubrious Living we again review the 14 basic points as set forth in THE WHITE MAN’S BIBLE. These 14 are:
1. Believe in living in accord with our human biological heritage and in harmony with the Laws of Nature.
2. This means eating fresh wholesome food in its natural state as Nature has given it to us. It must be uncooked, unprocessed, un-preserved and not tampered with in any other way. This further means it must be organically grown, without the use of chemicals.
3. Availing ourselves of a clean, wholesome environment; fresh, unpolluted air; clean water; and the beneficial therapy from the direct rays of the sun, every day.
4. Some form of strenuous physical exercise several times a week.
5. Rest and relaxation, both mental and physical, including sound and efficient sleep.
6. A form of recreation that is gratifying to our sense of accomplishment.
7. A sense of purpose, security and confidence to fuel our goals for accomplishment and living the good life. We must have goals and we must be motivated.
8. Deliberate self-mastery of our lives and our work.
9. Gregarious living within the framework of our CREATIVE

RACIAL LOYALTY — July 1983 — Page 5

Religion, our White society and social intercourse with our White Racial Comrades. We are social animals.
10. Healthy expression of our sexual instincts.
11. Living in a pleasing and healthful environment.
12. We do not believe in the use of any "medicines", drugs or chemicals as having any healing or therapeutic value. In fact, all medicines, drugs, narcotics, and chemicals are poisonous and toxic to the human body. Furthermore, and for the same reason, we do not believe in the use of vitamin, mineral, or enzyme supplements, nor the use of artificial food coloring, preservatives, nor refined or fragmented foods.
13. We strongly believe in THE PRACTICE OF FASTING as the best means of ridding the body of accumulated poisons and toxins. We are convinced that fasting is the most natural and effective means the body has of overcoming all forms of disease, and restoring itself back to health.
14. Living in, and promoting a eugenic White society. This means that we take particular care in not only assuring the perpetuation of our precious White Race, but we take deliberate care that the misfits are culled and that each generation advances to higher and more salubrious levels, physically, aesthetically and mentally.

Our Golden Rule:
What's good for the White Race is the highest virtue; What is bad for the White Race is the ultimate sin.
ONLY A HOMOGENOUS SOCIETY

Race Mixing Spells Death!

History has proven over and over again that no multi-racial or polygynous society has survived for long. Just as in the previous chapter we have seen that a healthy body will not and cannot tolerate any alien organisms in itself, so also a society cannot survive admixture with alien elements. Let us learn this basic lesson for all time and heed it and heed it well! Let us state it another way: Any society whose elements are composed of two or more differerntiated races will perpetually be at war within itself until it destroys itself. Usually the drags of such a society will destroy the best elements and the former will survive to occupy the real estate in a more primitive social structure. Anarchy, poverty and misery will then become its normal life style. A prime example of this is the history of Haiti, which story we have related in a future chapter. But history abounds with any number of other examples. For in our previous lecture, NATURE'S ETERNAL RELIGION, we have cited a few such as Egypt, India and others.

Tragedy of America. America, the hope of the world, is now undergoing the final stages of self-destruction because it has not heeded the eternal lesson of history and the Eternal Laws of Nature: no multi-racial or polygynous society survives for long.

Inferior Destroys Superior. Let us state another basic truth: the inferior always envies and hates the superior. The poor hate the rich; the weak hate the strong; the sick hate the healthy; the dumb hate the intelligent; the ugly hate the beautiful, and the mud races hate the White. That's the way it is, and probably always will be. I neither invented this situation, nor am I happy about it, nor did I decree it. I am simply observing a fact of life.

Beautiful Society our Goal. We of the CHURCH OF THE CREATOR not only hope for a society that is relatively sound, stable and prosperous, but one in which the vast majority of individuals themselves are superior and one in which the quality of life is high. We want each individual, or at least the overwhelming majority of individuals to have all the best things in life: intelligence, health, beauty, wealth and happiness. Not only do we hope for such a society, but we are actively working to bring it about. In a deteriorating world that is rapidly crashing about our ears, we are not pessimists, we are optimists. We strongly believe our type of world not only can be achieved, but are damn well determined to bring it about, come hell or high water. For us it is either do or die.

**Total White Society.** I have stated in the beginning of this article that only a homogenious society can be stable and survive. Homogenious means one kind, the same race, and more or less the same level of intelligence, similar moral standards, similar basic goals, ideals, religion and culture. So what kind of homogenious people do we have in mind as inhabiting the world of the future? Do we want a world populated with primitive African niggers? Of Chinese Jews? Or do we want a society in which the multiracial United Nations who has a statue enshrined as the (neuter) man of the future, faceless, sexless, mongrelized, raceless, brown in color and hands clasped behind its back for easy handcuffing? 

**Viewpoint.** No, indeed, we want none of these. Our religion is not designed for niggers or mongrels, nor any of the mud races. We go back to one of our basic premises, namely, in everything we look at life and the world from the viewpoint of our own view point only. We do not look at it through the eyes of the snake, nor the niggers, nor the Jews. We look at everything through the eyes of the White Race. The people of the future world must be the White Race and the White Race exclusively. The world is becoming too crowded and too small to support a multitude of races either side by side, or intermixed. The White Race cannot survive in either of such worlds. It can only be either absorbed and mongrelized or be outbred and exterminated. We do not accept either alternative, and have not the slightest desire to be part of a debauched and depraved society of clawing, starving mongrels. We either accept or the superior race must outbreed and exterminate the inferior. 

**All or nothing.** No, for us it is either all, or nothing. Having made the decision that we favor the White race over all others, we have made the decision to put this decision into a definite, broad, and heaven and earth to implement it. In so doing let us keep in mind that the future White Race we forsee is not merely such as it is today, but the vibrant, dynamic super race that we have the potential of becoming. Now with the advent of CREATIVITY, we have the knowledge and the program to enable us to realize our great potential. It now remains for us to build and expand our organizational structure to bring about the greatest of all dreams ever envision ed by mankind.

**Must Face Reality.** In endeavoring to bring about such a bright and promising future for the White Race we must, as I have said a thousand times before, first of all straighten out our thinking.

1. **Equality Concept.** We must throw overboard the Christian-Democratic idea that all men are equal. This idea has been foisted on us by our most dangerous enemies, the Jews. They don't believe it themselves and consider all non-Jews as goy, or stupid cattle, to be exploited, manipulated and destroyed. Nature says loud and clear men are unequal, races are not equal, all species are unequal. Let us forget this.

2. **Homogenious Society.** We must realize that any multi-racial society, or polygynous society, nor even a pluralistic society can survive for long and in the short or long run it becomes impossible to govern such a society. Not even a country that is a patchwork of different nationalities, religions and languages even if it is essentially White, will last for long. The Austria-Hungarian Empire is such an example, where Germans, Hungarians, Croats, Serbs, Rumanians and Czechs all were lumped together with their different languages, religions and cultures. We must realize there exists no fair and equitable set of laws, no government that can be acceptable for all. What is for the benefit of one is to the detriment of another group, and only strife, dissention, and anarchy can ensue.

3. **White Race must survive at all costs.** Since the earth is rapidly becoming overcrowded beyond its capacities to feed and sustain such huge numbers, hundreds of millions, yes billions, are going to starve, and that situation is a threat well under way. We have already covered this subject in a previous chapter. It is up to us to see to it that in such a catastrophe the superior are not the main victims, and that the inferior (temporarily) survive. We must make damn sure that the White Race that survives, and we must organize and polarize now in order to have the power, organization, loyalty, leadership and wherewithall to do so.

4. **Parasites not worth saving.** We must accept the fact that not all people are worth saving. Even among the present White Race there are parasites, drones, insane, morons, pathological criminals and gene cripples that the world and our White society would be better off without. Nature gives us a further law in this respect: Any organism that fails to excrete its wastes, soon dies.  

5. **Heterogenous Society Doomed.** We must realize that no group or individual, or even will, that can satisfactorily govern a heterogeneous society, or even keep such a society of diverse elements from collapsing. The reason for this is fairly obvious. When any country or society is fragmented by two or more diverse elements there exists no common goal or interest, only rival pressure groups at war with each other and continually seeking to gain the upper hand. Such war may be covert or submerged for some time, but sooner or later it flares out into open and obvious civil war and anarchy. The more differentiated these elements are, the more fierce and bitter is such warfare. The end result finally is either the suicide of all groups, or the emergence of the group, or race, or element, that was best prepared to fight and survive. This is not necessarily the most constructive and intelligent of such a society. In fact usually the lowest and vilest elements as in Haiti, survive.

**Darwin's Law.** Let us remember that Darwin's Law of "Survival of the Fittest" is not quite correctly stated. The shark and the cockroach are not for hundreds of millions of years, but are not exactly the most beautiful or intelligent creatures on the face of the earth. From our viewpoint we would hardly regard them as being either "the fittest" or most desirable. It is only those who are fittest in the game of survival that do so, but by no means the best or most desirable from the White Man's point of view.

**America had auspicious beginnings.** After the American Revolution when the first census of the United States was taken in 1790 the total White population was 3,172,444. The estimated population of all the territory that now comprises the 48 continental states was approximately 4,000,000. Of this number approximately 3,250,000 were White, the balance being Indians, negroes and mixed breeds. Of the White population 90 percent were of Nordic stock, mostly English and Scotch, and 99 percent of the total White population was Protestant.

**Indians Cruel and Revolting.** As far as the negroes were concerned they were then of no political significance, since the Constitution regarded them as no more than chattel, or property. The Indians
were a different matter. Many of the tribes encountered were undoubtedly the most formidable fighting men of any native race that the White Man has ever come up against in his expansion and conquest of the world. Madison Grant, who wrote “Conquest of a Continent” deems them as beyond question the cruelest of all mankind, even more so than the Aborigines. The atrocities which they inflicted on their captives, whether white or red, are revolting in the utmost, and were usually carried out by the squaws while the bucks sat around and laughed at the agony of their victims. Grant concludes “No one who knew the true nature of the Indian felt any regret that they were driven off their hunting grounds”, and the Whites regarded them as nothing more than raving wolves or worse. In any event, the Indians slowed down the westward expansion of the founders of the Thirteen Colonies, but were of no political or racial consequence.

Shining Opportunity. So in the period ending in 1790 we find an America with a White population greater than half of that of Great Britain, and the Nordic to the core. It was racially, culturally and religiously the most homogenous group of people of any country in the world. Before it lay a vast, rich continent to the west, empty except for the sparsely scattered aborigines. The American White Race was poised to conquer and build the greatest and wealthiest country in all history. Never in all history was a more shining opportunity laid at the feet of any people. In less than a century that conquest was complete from the Atlantic Ocean to the Pacific.

Mixed Slop Pail headed for Disaster. Today America has degenerated to a polyglot melting pot (read slop pail) that is heading into an abominable disaster. It has now become a vast conglomerate of conflicting pressure groups that have no common goal, objective, interest, or anything else. We are now divided into hundreds of divisive power groups all at war with each other. We are divided racially into every base element found on the face of the earth.

Even the savage Indians today have a lot more political clout than they had 200 years ago when the White Man’s numbers were relatively and infinitely smaller and the Indians larger. We are divided by hundreds of religions, Mormons, Catholicism directed from Rome, and above all, Judaism, whose tribe now rules and ravages the country. We are divided by political parties, by labor unions religious groups, class warfare, by homosexuals, feminists, you name it. Each one has a power group fighting for its separate interest. Today we are undoubtedly the most heterogenous, the least homogenous, the most fragmented nation on the face of the earth. Such a nation cannot be governed for long, nor can it exist for long. When the French gifted us with the Statue of Liberty which most me...the wretched refuse of your teeming shore", we swallowed a philosophy that was as deadly as any of the refuse itself. Remember, any organism that cannot excrete its refuse soon dies. Any organism that is willing to ingest the refuse of others is absolutely insane and doomed to die.

Missed Opportunity Fault of Descendants. The Americans of 1790 had before them the most wonderful opportunity that had been the good fortune of any homogenous group of people ever to be blessed with. They blew it. They goofed. They unwittingly threw away the most auspicious circumstance in history. Why did such an intelligent people so miserably fail to make the most of such a glorious opportunity?

Invasion of Jewish Parasites. The further answer, in large part of course, is that the Jewish parasite invaded their shores, and polluted and perverted their thinking. Such invasion was small at first but by the 1880’s began to become a veritable flood. Today half the Jews of the world sit on the backs of the American people and are in virtual control of all the finances, the news media, the education and the government of this Jew-ridden country. In short they have us hog-tied and are setting us up for the final slaughter.

We must now Redeem our Past Sins. Late as it is, it is the goal and the program of the CHURCH OF THE CREATOR to save this nation from collapse and destruction. Actually, it was not the fault of the early builders of this great White nation. They did their part and they did it beautifully. It is we, who came after them that let down the White Race and betrayed it. We mustfully realize that as goes America, so goes the White Race. It is our avowed aim to first of all break the power of the Jews and wrest that power back into the hands of the White Man who founded and built this country. We then must expel these parasites from our shores. It is our program to ship the niggers back to Africa, and the Mexicans and other mud races back to wherever they came from. It is our objective to make this country a rich prosperous and beautiful land for the White Race and the White Race alone, to convert and educate the White Man back to the fundamental truths of race, to accept a racial religion and build a finer, better race and finally a Brighter and Whiter World.

 Needed a Religious Race. We can blame the Jew for the mess we are in, after starting with such a golden opportunity in 1790. But this would not be exactly the whole story. We ourselves are to blame. If the White Man of 1790 had discarded his unreal “spooks-in-the-sky” religion foisted on him by the Jews and adopted a sound racial religion such as CREATIVITY, we would not be in the abysmal mess we are in today. Our Founders missed a golden opportunity just as did the Romans two thousand years earlier because they too did not have a racial religion.

If the White Man had been armed with a racial religion the Jew would never have had a chance, either with the Romans or the Americans of 1790.

Now Our Last Great Opportunity. It is our sacred religious and racial duty to undo the damage that has been done, and bring the White Man back to his senses. Not that we want to restore the America of 1790, or the Rome of the Caesars. That is impossible. But now, with our present day knowledge, with the program of CREATIVITY and with 500 million White people as the basis of our gene pool, we can build a world that would bedazzle both the early Americans and the ancient Romans alike. This we can do, and this we must do.

When Menachim Begin’s Irgun threw the babies in the well, The Christians gathered ‘round and said: “So what the hell, They’re not the Chosen People, they deserve what they got. Why should killing little babies bother us a lot?”

And Menachim grinned his pleasure, and killed the Mamas, too, And, on top of the babies, also their bodies threw. He said to get an Israel, he had the job to do, And the Christians all agreed and said: “we approve of you.”

So they gave him plenty of guns and a lot of jingle juice, And watched him steal the land and thought religion an excuse, For hadn’t God asserted his first love was the Jew And he would destroy all others to provide for the Chosen few?

Now organized religions have grown out of this creed Like warps upon a toad because its nourishment they need To keep their faithful people dropping money in the pan, Bless Haganah, Stern and Irgun, and the Leading Man!

The president embraced Begin and did not hold his nose,... You’d have thought the hypocrite was smelling of a rose! Maybe living in Hollywood had immunized him against the smell So he still could be at ease if he were to hug a hog.

Christianity is a Jewish mind scrambler that has confused the hell out of the White Race for 1800 years. Never again!

AMERICAN EDUCATION

limited minds are incapable of anything resembling academic learning. The filthy communist Jews had a definite purpose in mind when they planned and carried out the total niggerization of the American White public schools. These schools have become revolutionary fronts for the nigger's purpose for the purpose of the destruction of the White Race. I know this for a fact, because I taught in the public schools of North Carolina and South Carolina from 1967 until 1974, during the time when radical changes were being instituted in our Jewish controlled school systems. I witnessed the initiation of Jew engineered forced integration and forced busing of the niggers, the biggest farce and self destructive scheme for the White Race ever formulated in the evil, rotten brains of the perfumed Jews. In September of 1967, shortly after my graduation from college, I was employed to teach sixth grade at an all nigger elementary school in Henderson, N. C. At that juncture, I was a typical young bleeding heart liberal entering the teaching profession with an "open mind" and strongly bound by the Jewish fallacy that I had been taught over and over again by the Jewish history texts which state that "all men are created equal." I also accepted the myth that niggers were "culturally deprived." Solid scientific evidence and research by Dr. William Shockley and many others proves that the stupidity and backwaterness of niggers has nothing to do with being culturally deprived, but it is inherent, genetic, and inborn, a predominant characteristic of their race which all the education in the world cannot cure.

My first impression of the pitiful, ignorant Negroids, or more correctly, niggers, was that they were a loud and screaming lot, chattering incoherently and functioning on a mentally subhuman level, considerably identical to the monkeys, baboons, and lower primates, to whom they are more closely related racially than to the White Race. Further observation and experience with the niggers revealed that their ability to learn the simplest tasks was severely retarded in comparison to a first and second grade Jew. In sixth grade for example, White children are well adapted to learning the essentials of higher mathematics, American history, science, English grammar and composition. However, the niggers could not read the rudimentary and second and third grade school books, nor recite their multiplication tables correctly, nor understand the simplest of instructions. Some could not even write their own names nor tell the time of day, even after five, six, seven, and in some cases up to eight years of instruction in the schools. It is no wonder then, that in 1983, statistics prove that an overwhelming majority of niggers and other mud races in the United States graduate from high school as "functionally illiterate." The truth is that they simply can't learn very much because the mental capacity isn't there to begin with.

There is an old saying that, "you can't make a horse to water if you can't make him drink." By the same token, you can lead a nigger to school, but you can't make him think. However, a crafty Jewish film or textbook written and illustrated on the niggers' limited level of thought can teach the niggers to believe that they are better than their natural enemies, the White Race, and that they ought to get knives and guns, form a unified mob, and get out there in the streets and kill, beat, and rob "Whitey" or "Honky". All this, of course, is part of the Jewish master plan for the destruction of the White Race as outlined in the Talmud and the PROTOCOLS OF THE ELDERS OF ZION. Therefore, not only is educating the niggers the same as flogging a dead horse, but it is destructive to the interests of the White Race. The Jews have always chosen it, and have blood wrinkled, brain polluted shabbaz goy puppet politicians like the Kennedys and many others into forcing White Americans to accept the idea that race mixing, and education of niggers is "good for the country" when in reality it is the worst thing to happen in the latter half of the 20th century. Why do you think it is, that billions more of our hard earned tax dollars are wasted every year by our Jew controlled liberal politicians to "educate" more and more niggers??

Our White children are forced out of the public schools for which we pay taxes by the deplorable conditions created by the niggers and the Jews. White parents who care about their kids have fought tooth and nail to keep the niggers out of the schools and enrolled them in White private schools. Still, the White parents are forced to pay taxes to subsidize the education of all those niggers, who are not worth educating in the first place. Most White children have the same concept to the truth, that eventually all these niggers will rise up as the vanguard of the Jew-communist revolution and totally destroy the White Race if given the chance. Unwittingly, like so many other White liberal Christian do-gooders I found myself working for the deadly enemies of the White Race. After three years of struggling with sixth graders, I taught four years of high school, hoping to find better students. In 1970, I taught my first high school class of eighty per cent niggers and twenty per cent White. I enjoyed teaching the White students who could learn American history and understand the book. Most of the niggers could not understand the book, and even with help and my subsidizing their grades, could not keep up with the White students. Just the same, the niggers would always complain that I was discriminating and prejudiced (the two Jewish catchwords) against them because the White students received higher grades than they did. Finally I realized that there was nothing I could do to help them.

It took me seven years to reach the inevitable conclusion that the niggers were not worth educating. Some bleeding heart liberals learn mightily slowly. However, I was able to base my conclusion on many solid facts, among which are the following:

1. The niggers have no brains worth educating in the first place.
2. All they want to do is to kill, beat, and rob the White Race. This, of course, is in accordance with the laws of nature, because the nigger is one of the natural enemies of the White Race.
3. When a White person tries to teach the niggers, that person is no longer a teacher, even a babysitter or a policeman, but a zookeeper.
4. The nigger is the vanguard of the Jewish communist conspiracy to destroy the White Race.
5. The time is long overdue for the White Race to stop subsidizing the education of niggers, along with welfare, food stamps, and foreign aid to niggers, Israel, and "third world" nations.

It was not until December 1988 that I read the WHITE MAN'S BIBLE and NATURE'S ETERNAL RELIGION and discovered for myself that the answers to all these problems can be found in CREATIVITY. Here we have a new and dynamic program for the survival, expansion, and advancement of the White Race based on the laws of nature, history, and common sense. White people of the world, the time has come for us to rise up, and cast off the fetters of the Jewish enemy, along with all those who are allied with them. We have the whole world to gain and nothing to lose by our present state of enslavement.

1. We shall concentrate our educational efforts on our own White children, who have the brains, ability, and CREATIVITY.
2. Our White children and their teachers will no longer be killed, raped, beaten, intimidated, and ripped off by inferior nigger thugs in our schools.
3. The doors to the public schools, again safely in the hands of White people will be closed to niggers, Jews, Mexicans, and inferior mud races.
4. Our children will be taught that loyalty to the White Race is primary and decisive.
5. Niggers and Jews will have to form their own schools. Without the White Man's money and brains they will have a difficult time of it.
6. We must put our White politicians in control of this country again and drive out the Jew communists and their nigger friends forever.
7. We shall then put an end to busing, integration, "affirmative action," and all the other Jew contrived foolishness that has been forced on the White Race.
8. We must then rid of the Jews and their stooges by deporting them all to Madagascar.
9. Finally, the White Race must stand up to the Jew communists once and for all and tell them to go to hell. We are no longer voting for them or their stooges, nor supporting them or the niggers financially or otherwise. Our total victory will come, as a result of our courage, we have the ability and the power to win. CREATIVITY is the force of the future. What a bright world it will be!

Heavenly Humor

A White boy and a black boy were arguing about the color of God. The White boy said he was White, the nigger boy claimed he was black. They both decided to ask God about it in their prayers that night.

The next day they again confered. The White boy said God told him "I am what I am what I am," so I still don't know what color he is.

The black boy said, "I think he's white. He told me the same thing. If he'd been black he would have said 'I am what I is.'"

Daffynition:

Spook-in-the-Sky: A nigger astronaut. (Would you believe?)

Racial Ribaldry

With the help of government subsidies a black NAACP attorney had moved into a high priced White neighborhood. The next door neighbor was putting around on his lawn when one of the nigger kids walked up to him and said "We's as good as you is. We's got a colored T.V."

A few days later the kid challenged him with "We's as good as you is. We's got a Cadillac."

The White neighbor let it pass. The following week the kid challenged him further. "We's better than you is."

The White neighbor perked up. "Why is that?"

"Cause! We ain't got no niggers living next door to us!"
and commit Racial treason with a person of another Race. The White children of a White society have the Right to as good a potential as their White parents, their White society and their White Race can reasonably give them. Thus no person should ingest foods, drinks, drugs, alcohol, tobacco, etc., which will harm or deplete the potential of their children. It is unjust and unfair to one's children if their parents do things that emasculate and deplete their children's Right to, and development of, their best potential. The progeny and Posterity of all White people are totally dependent upon the people who become parents— who conceive and bear and raise children and make the society they live in.

It is submitted that the societies and nations of the White Race shall not War among themselves. All disagreements and inter- scial problems between White people and White societies shall be worked out and solved by the leaders of the societies concerned in conjunction with the leaders of all White societies. The survival and progress of the White Race shall be the determinant of all disagreements. There shall be a priority of decision such as: (1) What is best for the White Race. (2) What is best for the White people. (3) What is best for the White society. All White societies and individual White nationalities should have continuous competitive trials and games, both testing mentality and physical prowess, in order to promote and honor excellence, superiority and merit of the people of the White Race, with the object both to determine and to determine the superiority of any White nationality, but to determine the most fit of all White nationalities and to recognize these superior most fit White people, with the objective being to prepare them for leadership that will benefit the White Race and thence all White nationalities and all White people.

It is submitted that it is true that in a responsible free society the responsible individual has the Right to self determination and this includes the Right to live in and enjoy the society, and to compete or not with his peers so long as he respects himself and is not a burden to the society. But the Right to self determination does not include the Right to choose whether or not he will defend his Race and society. Every person of the White Race owes their allegiance and their lives to their Race, and every White person who lives in a responsible free society has voluntarily chosen his White Society and accepts those benefits his White society gives him. This acceptance has a concomitant duty! Nothing is for free! All things have a cost! A cost of something is proportional to its value as set by the individual and the society. The cost of living in a White society, such as the USA, and other responsible White free societies, that furnish and guarantee an individual his inalienable Rights, Rights which are priceless and can be bought with money, such priceless blessings require those blessed people to be willing to give to their White society, that of theirs which is also priceless— their lives, fortunes, and their sacred honor— as the founders of the USA did. Any religion that prohibits White people to fight and die for our White Race and White society and its principles cannot be permitted to function or exist in a free White society. The acceptance of such a perverted philosophy and such degenerate principles signifies and proves those individuals who accept and live such UNNATURAL LIFESTYLES THAT BREAK NATURE’S NATURAL LAWS ARE UNFIT TO LIVE BECAUSE THEY WILL NOT FIGHT FOR THEIR SURVIVAL AND ARE DOOMED BY NATURE TO DO ANY SOCIETY THAT PERMITS SUCH PEOPLE TO LIVE, AND PROCREATE THEIR UNFIT KIND THAT BREAKS NATURAL LAW AND THEN IT WILL ALSO DIE.

Today our declining integrated society wants a lot about NATURE’S LAWS of genetics. We know that integration breeds society declines and that every mongrelized society declines and falls. Knowing this it is up to our White men to reverse this integration and return to the separation of the Races that our Founding Fathers practiced and that our ancestors practiced and that our USA was made under.

With the vast knowledge of genetics and history available today, there is no excuse for our leaders, who are supposed to be the most knowledgeable and wisest of our people, not to know about the fact that integration is genocide, racial treason and societal treason. There is also no excuse for our White men (7) to permissively let colored people into our White societies to mate with our White people and destroy our White Race and our White society. Every White leader and every man of our White Race knows instinctively that integration is un-American and that NON-WHITE MUST NOT MATE WITH OUR WHITE WOMEN AND WHITE MEN MUST NOT MATE WITH NIGER WOMEN. EVERY SUCH INTEGRATED MATING IS RACIAL TREASON! THOSE WHO INTEGRATE OR PRO- mote INTEGRATION ARE RACIAL AND SOCIETAL TRAITORS!

It is submitted that a responsible free competitive society for White people is in essence a simple entity IF certain basic rules are obeyed and followed. These simple rules that obey and follow Natural Laws for a White Racist society of White Racist people are:

1. THE SURVIVAL OF THE WHITE RACE IS SUPREME. ALL THINGS IN LIFE FOR ALL WHITE PEOPLE ARE PREDICATED BY THIS FACT.

2. The society must be all White people. The society must eliminate the irresponsible and the unfit. The fittest should procreate and raise responsible maturity the most progeny they can.

3. Every responsible person in the society has guaranteed inalienable Rights to life, liberty and the pursuit of happiness, subject to the obedience to the mores, customs, and culture of the society and NATURE'S NATURAL LAWS.

5. Equal protection under the law for all the people regardless of their status, station or wealth.

6. Equal protection from internal criminals and external enemies to every responsible citizen.

7. Equal opportunity for every citizen to compete fairly with all who choose to compete; this requires the society to provide the means to assure each individual the equal chance of development of their endowed potential.

8. The leaders of the society must be the proven winners in the competition of life.

9. The information media and educational system must be absolutely free, unbiased and dedicated to the truth.

10. All religions are subject to Natural Laws to the obedience of the mores, customs, and culture of the society and must not be imposed upon equal Rights of the other citizens.

11. A citizen may earn as much personal wealth as he can by his own honest efforts. A citizen can spend the wealth he earns as he chooses providing he obeys the above rules. A citizen may not leave his earnings, over a stipulated amount— to include a family estate, a family business and wealth equal to an amount to be determined— to his family, children or friends. All wealth earned over this stipulated amount will revert to the government upon the owner's death in lieu of taxes.

12. As it is now a known fact and truth that "power corrupts," and that "wealth is power," and that man is subject to primitive instincts such as lust, greed, avarice, desire for power over other men, etc., every person in the society must be subject to truth detectors that will prohibit his deceiving and lying in his contacts and competition with his peers and serving in the governments. The inalienable Rights of the people does not include the Right to deceive, lie, cheat, swindle, rob, rape, murder, etc. The above rules prohibit such criminal acts.

Religion

By Ben Klassen, P. M.
Published in 1973

This book for the first time in the
history of the White Race sets forth
the fundamentals of a basic
RACIAL RELIGION for the
Survival, Expansion and Advancement
of the White Race. It is based on
the Eternal Laws of Nature, the
Experience of History, and on Logic
and Common Sense.

It exposes the whole panorama of
the dastardly worldwide Jewish
conspiracy, aimed at the genocide
and extermination of the White Race. It lists the Five Jewish books that have had devastating influence on the thinking and the course of the White Man’s history. Among these books is the Old Testament and the New Testament of the Jewish-Christian Bible.

Best of all, it not only sounds the
alarm, but blueprints a specific plan and program of how to extricate the White Race from its present calamitous predicament. It goes further. It presents a Eugenics program for the future of the White Race to uplift it to the glorious heights of the Superman and beyond.

SALUBRIous
LIVING

244 Pages
22 Chapters

Written by Arnold DeVries with the
Introduction and last Chapter on
"Eugenics and Survival of the
White Race" by Ben Klassen, P. M.
Published in 1982

The phrase and the idea
"Salubrious Living" was introduc-
ated in The White Man's Bible.
Whereas nine chapters were
devoted to this vital subject, it did
not pretend to cover this vast sub-
ject even partially, and a promise
was made to cover the ground
more thoroughly in another book.

Salubrious Living is that book.
Whereas it by no means exhausts
the subject, it covers enough of the
ground rules and points the direc-
tion to a much more healthy,
vibrant, energetic and fulfilling life
here on Planet Earth, and ties it in-
to the rest of our religious creed.

Basically it presents a NATURAL
LIFE STYLE for achieving the
ultimate in super health and well-
being as taught and practiced by
The Church of the Creator. At the
heart of it are the 14 points
enumerated as the basic creed of
Salubrious Living.

This third "Bible" of our Trilogy
rounds off the basic creed of A
Sound Mind in a Sound Body in a
Sound Society in a Sound Environ-
ment, that is the heart of
CREATIVITY.

This Month’s
Recommendation

We have an excellent 40 minute
LP record available for introducing
new members into our movement.
It plays for 40 minutes and is call-
ed SURVIVAL OF THE WHITE
RACE.

It challenges the uncommitted
initiate to start thinking about
the racial issue and decide which side
he or she is on.

It traces the origins of Jewish
Christianity, how it seduced the
minds of the Romans and in a few
centuries brought about the
downfall of the great Roman White
civilization, ushering in a thousand
years of the Dark Ages.

This record should be a construc-
tive aid helping you recruit, pros-
elytize and organize your own
church group. It will also help you
sell and distribute copies of our
Bibles and copies of Racial Loyalty.

WE SHALL BE MASTERS OF OUR OWN MANIFEST DESTINY

WINNING OF THE WEST:

ROBUST ENERGY. In all the glorious pages of the White Man's history, there is probably none that shine forth as brilliantly as does the saga of the White Man's drive westward to span the American continent from the Atlantic to the Pacific in the nineteenth century.

SUPER ACCOMPLISHMENT. In terms of accomplishment; of expanding the White Man's territory and numbers; in terms of building cities, railroads, farms, roads, harbors, telegraph and telephone lines, and many other basic fundamentals of our White civilization; in terms of pushing back the inferior savages and creating productive new living space for the White Race; in terms of organizing and creating productive new living space for the White Race; in terms of organizing and creating political institutions, stability and government over former wildernesses; these and many other areas of achievement, none can rival the phenomenal accomplishments of the raw and brawling push westward that was the shining American epic summed up in "The Winning of the West".

MANIFEST DESTINY. The White American loudly proclaimed he had a "Manifest Destiny" to do so, and had an exuberant feeling of accomplishment in his very soul. Had the White Race of the nineteenth century had a racial religion like CREATIVITY, it would have done the job even better faster, more thoroughly and more permanently.

OUR BLUEPRINT. We of the CHURCH OF THE CREATOR are making the unbridled White Man's spirit of conquest and expansion as exemplified by the building of America and the WINNING OF THE WEST an integral part of our own dynamic philosophy. We are building on it as our blueprint, a grand model and point to it as an explicit moral justification for WINNING the world for the White Race.

HIGHEST MORAL VIRTUE IN OUR EYES. We categorically state that if the building of America and the Winning of the West was morally wrong, then we might as well condemn the White Man's right to life, his right to survival, his right to inhabit this earth, as also morally wrong. We condemn such an attitude as being insane and suicidal. If the White Man's philosophy and program of pushing the inferior savages ever westward and building a future homeland and nation for the White Race in the 19th century is morally correct, then the White Man's program for doing so in the rest of the world - Africa, Australia, etc., is equally correct today, in the twentieth century, and ever beyond.

WHAT TRAITORS CAN DO. Anyone who denies the White Man's right to build America in the 19th century is a hypocrite and a traitor to the White Race. Any White Man whose heart bleeds for the savage Indian can readily make his own restitution. He can assuage his Jewish-scrummed "conscience" by renouncing his membership in the White Race, selling his property and giving the proceeds to the Indians, and committing harakiri. How many hypocrites blabbering about the rights of the Indians (and other mud races) are willing to back up their posturing with this kind of action? When put to the crucial test, there is none, except perhaps a few who have been driven to the edge of insanity by an overdose of Jewish propaganda.

CONCLUSION. Therefore, let us proceed to the inevitable conclusion:

(a) In America, the White Race, by conquering and pushing before it the inferior redskin savages and the mongrel Mexicans, has produced the finest, most affluent and advanced civilization the world has ever witnessed.

(b) We of the CHURCH OF THE CREATOR not only approve of this accomplishment both morally and ethically, but loudly APPLAUD IT as the finest, most productive accomplishment in the brilliant history of the White Race.

That this great and tremendous accomplishment must serve as the future prototype for the White Man's winning of the world.

PART OF OUR CRED. We adopt it as part and parcel of our religious creed, and whereas the Winning of the West was accomplished in a more or less haphazard and unplanned fashion, we hope to dramatically improve on our next phase, the Winning of the World. We mean to give it a plan and a purpose and make it a Holy Crusade to which the entire White Brotherhood will give its total dedication and effort.

The Winning of the West was not only a matter of conquering the savage Indian but also the mongrelized Mexicans to the south. Read Creative Credo 33 "The War with Mexico" in The White Man's Bible.
IN THE NAME OF THE WHITE RACE
A DECLARATION OF INDEPENDENCE
FROM JEWISH TYRANNY

Since a penetrating study of both contemporary and ancient history has conclusively revealed the following situation:

1. The Jewish race by choice has waged deadly, unrelenting warfare against us, the White Race, in order to destroy us.

2. The Jewish people are banded together in a vicious racial, religious and political conspiracy to gain control of all the money, all the economic and financial resources, all the land and territory and real estate of the world, in short, its total wealth.

3. The Jews have made it their primary goal to mongrelize, kill, decimate and otherwise destroy the White Race.

4. The Jews are determined to enslave all the races of the world, including the final mongrelized product of the White Race that they intend bringing about.

5. The Jews have in the past successfully and successively destroyed our White Racial ancestors, to name a few: The White Egyptians; the highly creative and gifted Greeks of Classical History; the great and noble Romans of ancient times.

6. The Jewish conspiracy now owns, controls, and/or monopolizes the majority of the White Man’s industry, finances, educational facilities, news media, television networks, government, religion, and monopolizes all or nearly all instruments of thought control.

7. The White Race is now an occupied and enslaved people under the cruel heel of the Jewish tyranny. Now, therefore, we of the CHURCH OF THE CREATOR, in the name of all our White Racial Comrades throughout the world, proclaim this, our own Declaration of Independence.

We hereby resolve that it is our sacred duty and holy obligation, not only to ourselves, but also to our noble ancestors that produced us, and our precious progeny who will follow us, to bring about a world situation in which we are determined:

1. To throw off the yoke of Jewish tyranny and control.

2. To wrest control of the White Man’s destiny into the loyal and capable hands of our own people.

3. To eternally fight for the survival, expansion and advancement of the White Race.

4. To shrink our enemies, namely the Jews and the other mud races, and expand the territory, the power and the number of our own White Racial Comrades.

5. To make it impossible for the Jews and other mud races to ever again threaten the existence and well-being of the White Race.

To this, our Declaration of Independence, we forever pledge our Lives, our Sacred Honor and Religious Zeal.
AFTER 65 YEARS

THE JEWISH ONSLAUGHT RAGES ON
by Ben Klassen, P.M.

On the day when I was born 65 years ago in a remote little Mennonite settlement in the southern Ukraine, a chaotic battle was raging between the Bolshevik revolutionaries and fragments of the White Army of Russia. The battle was raging not on some distant front, but right in our own back yard. My mother told me that one of the cannon balls took off the end gables of our roof, another tore through the stables (our barn and house adjoined) and another shell exploded outside in the hoppen.

The village in which I was born was called Rudnerweide. It was one of 50 such villages in our particular settlement called the Molotschna colony. The German speaking Mennonites had first settled in this part of Russia just north of the Black Sea when they had first come there in 1804. Like the pioneers of Western America they started to develop and till the land.

The land was exceedingly fertile and the Mennonites prospered. They were an industrious, hard working group of people, practicing racial loyalty and always close to the soil. They took good care of the land and their farms, and the land was good to them. Not only was the land productive, but the Mennonites too were fertile. Not only did they prosper, but they multiplied. They did exceedingly well what Nature told them to do — reproduce their own kind. My dad, who was born in 1878, was second in a family of fourteen, twelve of which lived to adulthood.

Not only were the Mennonites prosperous but they were also extremely religious, following a Protestant creed professed by Menno Siemens in Holland, a Catholic priest turned reformer and protestor in the style of Martin Luther. In the neat prosperous villages in which my people lived in Russia, the churches and the schools were the centers of their social activities, which were many and colorful, since the Mennonites were a very gregarious people.

There were a few tenets of the Mennonite religion that stand out. One of them that had caused them considerable problems throughout their history was their avowal of pacifism. The business of ‘turn the other cheek,’ ‘love your enemies,’ ‘thou shalt not kill’ had made them shun military service and this in turn had caused many other countries to drive them out. One such country was Prussia where my ancestors had settled and were expelled in the 18th century because they refused to bear arms.

It was therefore no wonder that when the vicious communist revolution hit them toward the end of World War I they were faced with a situation with which they were completely unprepared to cope, an assault on their way of life that not only shattered their idyllic settlement, but also most families and individual lives.

WE WILL NOT COMPROMISE

More often than I can recall well meaning friends have cautioned me with “I agree with everything you say, but you come on too strong. You turn people off. Why don’t you use a more soft approach and use the art of gentle persuasion? Water it down somewhat. Compromise here and there. It is too much of a shock for the average White Man.” And more of the same.

There is a lot of merit in the above advice. The idea is to get people to see the light without really disturbing them too much. If possible persuade them without any shock and without making them feel uncomfortable. Let them keep their age-old superstitions about their favorite spooks. Don’t upset their lifestyle. Don’t disturb.

RACIAL SOCIALISM IN PRACTICE
by Rev. Tim Gaffney

Recently, a living example of Racial Socialism (White Racial Teamwork), as advocated by the Church of the Creator, came to our attention. The case in point is the small town of Mandragon, located in the Basque region of Spain.

About 25 years ago, the (White) people of Mandragon started a producers’ cooperative movement which now employs thousands of White Racial Comrades. The workers own the companies, each contributing capital to them, and they elect the boards of directors from their own ranks.

This movement started in 1956 when 5 graduates from a local college started ULGOR, a firm of 23 workers making paraphernalia. Today, the ULGOR co-op, with 3,400 owner-employees (almost a 15,000 per cent increase over 1956!), is Spain’s largest manufacturer of household appliances. Many more similar co-ops have since been set up.

Applicants for membership to the co-ops have to pass an entrance exam, and put in approximately $4,500 of their own capital, which can be borrowed at low interest from the co-op bank (not from some Jew usurer). The workers decide the wages they can afford to pay themselves (the wages are expenses of the business firm). The profits of the co-ops are allocated as follows: 10 cent per to the community; 20 cent per to the firm’s reserves; and 70 per cent to the workers’ capital in their private accounts, which cannot be withdrawn until they leave the firm.

If a firm makes a loss, some of it is met from its reserves, but some comes from the workers’ own accounts. This gives each worker the incentive to make the company a success.

Productivity in the Mandragon co-ops is very high: double the output per man of comparable Spanish capitalist firms.

Each co-op is governed by the general assembly of all its workers/owners. Every four years, they elect management from their own ranks. The managers do the work of running the firm in addition to their usual job. Although extra responsibility is rewarded, no one is allowed to receive more than three times the minimum wage.

This method of operation (Racial Socialism) has healed the division between capital and labor, management and workers. There has been only one short internal strike in 27 years!

The Mandragon co-ops have flourished. There are now 90 manufacturing co-ops, employing 18,000 White Racial Comrades. These firms manufacture everything from machine tools to ovens, auto parts to furniture. Four or five new co-ops have opened every year, yet none have failed.

There are also a number of “service co-ops,” including schools, housing developments, and a social security organization. There is also a co-op bank, which uses the workers’ savings to finance new co-ops with low-interest loans.

The Best Sources of Minerals and Vitamins
Obtaining the Needed Elements In Their Organic Form

Modern science has proven conclusively that the body requires a wide variety of minerals and vitamins in order to be healthy. It has shown that deficiencies of even the smallest amount of any of these elements is lacking in the diet. It has shown that throughout the animal kingdom, health is dependent upon the chemistry of the body and its environment. Thus the deficiencies of minerals and vitamins in the foods we eat. Those races which get the greatest amount of these minerals and vitamins practice racial loyalty and racial teamwork.

When the Jewish race came home to me after 13 years ago, this discovery intrigued me immensely. If the Jews could so

comuish their troubles with their racial religion, I reason-
ed, there was no reason in the world why the Christian and Jews in the world couldn't work with, so many more natural advantages and at-
tributes, do the same! In fact, with all our advantages, why couldn't we have a positive Negro? Why couldn't we practice Raciotial Loyalty and Raciotial Teamwork like a White and brighter world for ourselves? I came to the con-
clusion there was no need in the world for what is commonly called White racial religions. I said that White is good for the World, while the entire Jewish race is so much better for the World.

We now have such a White Racial Religion. It is called CREATIVITY. In it we have the total program, the final solution of your problem. The White Man's Bible that spells out for all time that program solution and creed. We now have also a monthly paper, Racial Loyalty in Judaism and its influence in the world. We have seen nothing but turmoil, chaos, depression, revolu-
tion and the communist takeover of one country after another, looking at once for self-appointed saviors. "

Behind this turmoil and chaos of world destruction lies the hidden hand of the Jewish people. There is hardly a revolu-
tion in the world, a civil war, nor a large scale war in the world that a Jew connived, planned, manipulated and or instigated it. It is said that wars are Jewish harvests. This is true. So are all manner of projects, joint and individual, which are in a rising crescendo in all these destructive and nefarious Jewish onslaughts.

Our world as a whole is foundering in a confused and drunken orgy before the ever escalating onslaught of the Jewish powerhouse, an onslaught that during my lifetime is reaching its climax. The most horrible catastrophe the world has ever been subjected."  

For 50 years of my lifetime, I along with the rest of a con-

fused and befuddled mankind, either would not, or could not, or knew not, understand what was going on. It was enveloping us. Like all the nati and gullible yokels, I could not see the picture — a picture that was clear and obvious for all to see.

Finally, 1969 or 1970, slowly, imperceptibly, the pic-
ture began to focus. As I took an agonizing reappraisal of my own life, and the lives of others of the Jewish race, I realized that the war did not begin during my lifetime, nor with the Russian revolution, nor even with World War I. I began to see a war going on in a sinister and relentless war of destruction and enslavement not only for 50 years, nor only for 100 years, but for thousands of years. ORGANIC AND INORGANIC MINERALS

Minerals are divided into two distinct types. There are the organic minerals which are found in living matter, and the inorganic minerals which are found in the mineral kingdom. Each has its own set of characteristics and properties which enable them to exist in the earth. Organic minerals include such as calcium, phosphorus, sulfur, potassium, and magnesium. These minerals are found in all living tissues, including bones, teeth, muscles, and skin.

The question now arises as to just how the organic minerals differ from the inorganic minerals. The answer to this question has not yet been established. It is possible that the only difference between the organic and inorganic minerals lies in the combination of atoms in the molecule. This combination of atoms is what distinguishes the life of the plant from the condition of the soil. Life

GOAL AND SOUL

Basic Essentials for the Survival of a Race

Goal and Energetic. In this chapter, we want to lay down the ground rules: without a goal and program nothing is accomplished. Without the urge, the urge that is transmitted downwards, the competition is not extinguished, even though we have our goals established. This urge that we are nourishing together: a worthwhile goal and the energy, drive and conviction to make it happen. For the more subjective, a survival race, is much less dependent on the societal structure and more on the personal approach. This is the most compelling example of a race where the goals, purpose, and aim of life are realized in the service of the greater whole.

How to odd of God to choose the Jews. But it is still more odd for those who want to choose the Jewish God.

Heavenly Humor

Billy had just started Sunday School and had been introduced to the fictitious concepts of heaven, hell, God and the Devil.

Next Sunday at the class of the Sunday School Billy decided to ask them this question: "Billy: "I don't know.""

Said the Teacher: "Billy, you know where God is."

Billy ran out of the room crying to his older brother Jimmy."Billy what？"

Jimmy: "What's the matter?"

Billy: "God's missing, and they think we've got him."

Brickbats & Bouquets

Dear Mr. Klassen,

It was a pleasant surprise to receive your first fruit of "Racial Logic" in a mail. I am inedited and am therefore unable to say anything except to say that it is a real pleasure to me and to everyone who reads it.

We enjoyed your coverage very much. It will be a joy to see whatever you add to your "Racial Logic" and other articles that are of such high value. I am very glad to see the excellent coverage and your reporters have written for us.

Attached herewith you will find a copy of a hopeful communication regarding our provisional, and I think your papers would be pleased to give you an insight of the relation of the Groff Intermediate case, what would be most convenient.

We would like to meet you sometime, however, you cannot arrive here at a moment's notice. We want to keep up the good look and set us back from our time perpe- SIEU HUL

The trial is being anticipated to take several weeks or longer. If you subscribe to the "Brickbats", that publication has given you some very accurate, comprehensive coverage and their reporters have done a great job of it.

Toward the end of the article, we read that the Groff Intermediate case was a matter of great concern to many readers. The Groff Intermediate case is a legal case that involves the rights of students to be educated in a safe environment. The case is currently pending in the United States Supreme Court.

The Mud Racers Peril

by Rev. Richard F. Becker

In the 1980s we are facing an overwhelming peril which is more destructive than the White Race than any other peril. Unfortunately, understatement is not possible; even in the face of this peril, the White Race is doomed to extinction. The inevitable result of this is that we will be forced to either become white, or live in a world of non-whites. This is the peril we face; it is the peril that we must deal with.

4. Reproductive fecundity. As usual is the case throughout human history, the white race is rapidly, producing double the current rate of all members of the other races. For a long time now the White Jews have discovered the reproductive secrets of all racial groups and are reproducing their race at a fantastic rate. This has lead to a situation where the Black races have become the dominant race of the earth. As a result of this, the race of the Jewish people, despite their relative infertility, has not been excluded from the process. In fact, the entire race of the Jewish people is now living in America, and their numbers are increasing rapidly.

5. The racial isolation of the White Jews. The Jewish people are a unique race in the history of mankind. They have managed to isolate themselves from all other races, and to live in a world of their own. This has lead to a situation where the Jewish people are now the most powerful force in the world. NO COMPROMISE.

(Continued from page 1)

In this category, there is plenty of precedent and the answer is we will use all and every means available. We will use the technique of gentile persuasion whenever and wherever possible, but we will not shoot from the hip between the eyes technique either whether we like it or not. At the point we will also use a thousand different techniques in between and do whatever it takes.

Yet the job is to be done, and evidently no other solution is possible. The Church Of The Creator is willing to teach the world, to teach the thousands other organizations (mostly Kosher Republicans) that are keeping the true representative democracy out of the campaign, but somehow they seem to have discovered a way to do it together. Usually they CANNOT and they WILL NOT let us of some of their principles. But in this case, they are saddled with, whether it be the slogan "white man's rights" or have some Jewish friends (there all Jews can't be bad) or whatever, but in any case, they are saddled with this Kosher Republicans end up stepping in with their hot and snotty little blind alley. They inevitably end up with a true solution program -- just lapse and lament, and they will assuage your anxiety by frankly admitting that they don't have a solution.

The Church of the Creator has been assiduously trying to avoid getting caught in this kind of situation where we are the villain? we say: this either we all go out and do it, or we all stay in and do it, or we might as well throw in the towel and go fishing. Why waste a lot of unnecessary effort? We can do the job. But if you choose the PROGRAM to win, don't have the WILL to sit in and do what you have to do to win?

CREATIVITY is we correct...

we have achieved in building what we set out to accomplish in the first place — a Whitter and Brighter World.

In order to do so we need millions of members, supporters, and workers. We need people like you. We need you to get busy, to distribute copies of this program, to place our Bibles in the hands of the White Race. We need you to spread the word, like you like to promote, to speak, to organize. Why not get it with right now?

Meanwhile the Jewish battle rages on, as it has for thousands of years before us. We have the means to crush those foul destroyers once and for all. Remember, until and unless we do, and in fact solve the racial problem in its entirety, no other problems, be they inflation, unemployment, communism, crime, insurrection or whatever, none of these problems will be solved. I repeat, until the White Race solves the problem of the Jewish problem the White Race itself is doomed to mongrelization, genocide and oblivion.

So don't just sit there and postficate. Get busy and do what must be done. Save the White Race and build a Whitter and Brighter World for yourself, your family and all those wonderful progeny whose precious future is now in your hands.

Our Golden Rule: What is good for the White Race is the highest virtue; what is bad for the White Race is the ultimate sin.

In our eyes, there is nothing more despicable and repugnant than a traitor to his or her own people.

After 65 years (Continued from page 2)
It was six men of Indostan, To learning much inclined, One, two, three, four, five, Six men of Indostan.

Who went to see the elephant, (Though all of them were blind,) That each by observation Might satisfy his mind.

The first approached the elephant, And, happening to fall Against his broad and sturdy side, He said, "What do you feel?" 

"God bless me! but the elephant Is very like a wall!"

The second felt of his back, Cried: "What do you feel?"

"Like a sheet of thick paper," "Is this your way of feeling?"

The third approached the animal, And, happening to take The squirming trunk between his hands, Thus held it up to view. He asked, "What, tell me, what is it?"

"Sir, it is not very large," "It is a good deal like a snake!"

The fourth reached out his hand, "What have you here?"

"Like a bunch of melons," "Is this a palpable test?"

The fifth, who had a good sense of smell, "What is the matter here?"

"Like a large heifer," "Like a rolled mat, or a trunk of a tree."

The sixth and final man said, "What have I here?"

"Not very large, sir, not very strong," "It is a small animal, sir!"

This marvel of an elephant Is very like a fan!"

The sixth no sooner had begun About the beast to grope, Than, setting on the tail again, That fell within his scope, "I see," he said, "you feel the elephant Is very like a rope!"

And so these men of Indostan Disputed loud and long, Each in his own way reasoning That each of them was right.

"Tell me," said one, "What do you feel?"

"Like a man's face," "Like thick pieces of flint!"

"What do you mean by that?"

"Like the body of a horse."

"And you," said the first to the last, "What do you feel?"

"Like the hand of a man!"

"And what of that?"

"Like the foot of a camel!"

Now had these men been asked What the elephant looked like, They would have basely answered, "He resembles all of us!

"When I hear words like these, I cannot help thinking," Said the first of the Indostanese, "What a foolish thing it is to judge a book by its cover!"

**FUNDAMENTAL CHANGES**

How Creativity Differed from Hitler's National Socialism by Ben Klassen, P. M.

I have said it time and again: the CREATIVITY movement delves classification into any present categories of racial, political, or religious movements. It is not similar to, or a copy of any other movement, past or present. It is not a reversion of Hitler's Nazi movement, nor are we "Neo-Nazis." It is not similar to, or affiliated with any of the Klan. It is not a White Supremacy group, and we will clearly explain why not in the following discourse. First of all, we want to make this point crystal clear: we are unique, in a class all by ourselves, a movement, a philosophy and a religion such as the White Race has never had in its total. Since it is extremely important to keep re-emphasizing that we are a class by ourselves, let us first brush aside some of the lesser comparisons before we come to the crux of our article. We are not a White Supremacist movement such as most liberal newspapers report recently and quite likely to box us into. As we understand White Supremacy, it historically has represented the White Race as the ruling power over an inferior race, such as the British in India for two centuries, or the White masters owning, controlling and exploiting their inferior black slaves, such as the plantation owners of the antebellum South. These are only by a matter of thousands, of hundreds, of other situations where the White Man was the lord and master, governing, controlling, working against the interests of the group of so-called inferior and subdued rest peoples.

The CHURCH OF THE CREATOR wants none of this. In fact, CREATIVITY deplores and denounced such a stupid slave philosophy, not because of humanitarian reasons, but rather because it is such a monstrous instrument in order to destroy their enemies. They have made up a whole series of sense words, trigger-words, which are deliberately designed to be used in order to desensitize their enemies. Among their most effective weapons the Jews have concocted such gentle words, like "capitalist," fascists, Nazis, and a host of others. The Christians under the handicap of hades have become the object of compassion. Among their favorite catches of sense are such choice epithets as atheist, heathen, infidel, pagan, heathenish, infidelistic, who knows what.

The CHURCH OF THE CREATOR states clearly and unequivocally: We want none of this! It is the most dangerous and destructive philosophy the White Race (with Jewish manipulation) pursued throughout its bumbling history. Such policy always leads to race mixing, to mongrelization, and finally to the destruction of the White Race. The favorite epithet the Christians have developed is "Jew." We are not atheists. We creators do not accept that description, because it is phoney. It is a fictitious concept. All the real meaning is that you believe in the other fellow’s spoons. What spoons? Whose? It doesn’t matter. Anybody’s spoons. They call themselves Christians, but when you hear their speeches, the Christian spokeman, the demon of black blood, and the spoons, you are an atheist, and the demon of race consciousness is in your soul.

Moreover, the inference is that you don’t believe in somebody of your own color, you don’t believe in anything. According to this inverted type of Christian "logic," even a dumb African blacker nigger is "better" than an "atheist" who uses his own spoons. After all, theigger has his spoons and his witch doctor’s belief in some fancy set of unbelief spoons. Why, if you believe in God, you believe in the absolute, natural, and therefore believe in something.

Our minimum Goal is to get the Jew off our backs and unrest control of the White Man's destiny back into our own capable hands. From there on out, the sky is the limit."

---

"Something" is he a pretty little fellow, and therefore should escape the horrible fate of "Jew" and, in trade is called " Others," as long as you believe "something" is "Jewish," you are himself a slave, and therefore not sufficiently free. "Jew" is very sharp, but it is not enough that you don’t believe in anybody’s spoons, but we do not accept somebody else senior words or any description but being described as a Jew. If you use the "Jews" want to indulge in some action, well, take part in that game.

I am a Mohammedan, a Jew is an infidel, but still an infidel to say in the sense of the agnostic Mohammedan label to "Jews," a Jew is a guy or a girl who believes in the same animal. Does a Christian accept the "Jews" and the "white spokeman," the Robert Welch preachers or the Jew-lovers will they accept any dirt handed them? Yes, they do, but that’s a different game.

BRICKBATS & BOUQUETS

Dear Postmistress,

Brasswell sent me a copy of your paper, RACIAL LoyalTY...I think that I am going to be quite interesting. As you know, too well, one cannot wish themselves into the position of another. Simply stated it is this: whereas the core of the Nazi movement was Germany and the German people, the prime concern of the.cum of the Church of Jesus Christ is to productively serve the needs of all people. Whereas the cry of the Nazi party was Deutschenland! Deutschenland über alles and completely nationalistic, the prime concern of the church is to productively serve the needs of all people. Hence, whereas a church with the right breast does not exist in the church to build a White and Brighter world for all the White peoples on this Earth, planet, including the Black people, it serves no other purpose.

Perhaps you will have noticed that I have been a bit disheveled of late. In a conversation with someone who has been there before, I realized that I was not fully aware of the complexity of the situation. I had thought that the problem was simply to find a way to communicate with others who shared my concerns. However, I now realize that the problem is much more complex. It involves not only the language and cultural differences, but also the political and social structures that shape our lives. I am beginning to see that the key to understanding the situation is to listen and to be open to the perspectives of others. Only then can we begin to find ways to address the challenges that we face.

In closing, I want to thank you for the opportunity to share my thoughts with you. I hope that my words have been helpful and that they have provided some insight into the complexities of the situation.

Sincerely,

A SCHOOL FOR GIFTED CHILDREN

In planning for the future growth of the White man's struggle for independence in Africa, we have already outlined our goals for the next few years, which are focused on the development of future leaders. This article, as quoted in your paper on the back page, is an important part of this plan.

An important part of this plan is the development of young leaders. We need no incompetent office holders, such as Harry Truman, or other Turks who served as "presidents" and did not even know whether their jobs were all about, and were more pretentious for their Jewish manipulators. Nor do we want unprepared untrained and uneducated leaders, who likewise do a slip job of play the role of leaders. We need capable White men who are gentle in their own right, men who are highly trained and highly skilled to serve a purpose - an awesome job of tremendous responsibility.

We have already said that we will have special schools to teach such leaders the art of governing. Only for the very top posts, but also for the others. We have already outlined our objectives. We of the Church of the Creator will do everything in our power to make sure that these goals are achieved. As we said, the White people are the most precious asset we, the White Race, possess. Whether we live in the United States of America, or whether we live in Africa, we must take care of our children, our future, and our future leaders. Keep up the struggle for the White Race and be convinced of a very bright future for Africa. A sincere follower, J. S. Smith

stands head and shoulders above any other fighter against the Jewish menace and since he condoned, or at least tolerated Christianity, he has thereby left a deep-seated permanent vestige and admires that Christianity is not of any consequence in the struggle.

that Hitler formed a military alliance with one of the for- most of the mud races, the Japanese. This is anathema to the first order to us Creators. It is completely in contradic- tion to the Laws of Survival, does not advance us any step, and by all means we must stand firm against it.

That any White Race should ever, anywhere band together with any mud race and engage them and help them in the killing of our White Racial Comrades is in our book a sin of the first order, and one that must be ever combated to the last. We must stand firm against it.

7. Other one difference we want to emphasize is our mythos", as Nazi ideological leader Alfred Rosenberg has coined the term. It has meaning in any and every German race. Whereas the Nazi idol was the smart, goose-steping Storm troop, the capable Prussian general of the German General Staff, he has proven to be the ultimate in jolts and flashes of lightning. Instead to point with pride to pioneering America; to the cowboy era; to the Winning of the West; to the pioneering farmers and the Indian fighters of the nine-teenth century, right here in America. We believe that the building of America is the greatest achievement in (White) history. In the same way, we point to those who have fought for and died for the cause of our people, and high the authority, our own great judgment must prevail. This brings us back to the basics of our religion, Creativity. 1. Creativity is founded on logic and common sense. It is based on the experience of history and on the Eternal Laws of Nature. 2. We are a racial religion whose sole interest is the sur- vival, expansion and advancement of the White Race and the White Race alone. In this we are unique and in a class by ourselves.

To briefly summarize our differences with the Nazi move- ments: 1. Whereas the Nazi movement's main center of concern was Germany and the German people, we are a worldwide movement, and smokey and others have already said that we are a nation-wide movement, as we have been accused of being a sect and a sub-nationalistic religion. 2. Whereas the Nazi movement was a political organiza- tion to solve the dire dilemma of the German people, the CHURCH OF THE CREATOR is a religious organiza- tion to solve the dire problems of the entire White Race. 3. Whereas Hitler never addressed the all pervading issue of the Jewish question, we do not even frame it as an issue, but we examine it, expose it, and tear it to pieces, and vow to wipe it off the face of the earth.

4. Whereas Hitler preached nationalism and saw many of the White nations such as the French, the Poles, the Croats, the Russians, and others as arch-enemies, we, in contrast, embrace those who use nationalism to undermine our enemies and solidify all of our White Racial Comrades into a White and Brighter World. We preach not nationalism, but Racial Solidarity. 5. Whereas Germany under Hitler struck a pact with the Japanese, one of the formost of the mud races, in a military alliance, the CHURCH OF THE CREATOR under great principles must not deplore this historical fact. A cardinal rule of THE CHURCH OF THE CREATOR is never, never again shall the White Race engage in suicidal warfare against its own kind but con- centrates its power and hostility instead against the Jews and other mud races.

6. Whereas Christianity is the American scene of our pioneering forefathers, Manifest Destiny and the Winning of the West. In contrast, the mythos was more German in its spirit and con- tained the myth of the Aryan or Nordic spirit.

7. We Creators do not believe in pursuing the "personality cult" type of blind faith or worship. Instead we believe in re- cognizing the common good sense, learning from the experience of history and learning from the master teacher of all time - the Ancient Near East and the Twentieth Century. Both are now as obsolete as Henry Ford's once great Model "T". The glory of Hitler's Third Reich is dead and gone forever. It lives only on history and memory. We can no more recite
HOW TO STEAL THE WORLD WITH NOTHING PAPER
THE FEDERAL RESERVE BOARD
THE BIGGEST SWINDLE IN HISTORY

The Federal Reserve not a Government Agency but a Private Gang of Jewish Counterfeiters

The most gigantic swindle in world history, a fraud on the whole world. If you were to rack your brains to find the most direct, most feasible means of acquiring a monopoly of all the wealth in this world, by far means or foul, undoubtedly the idea of setting up a ruling private monopoly would cross your mind. Is it going to be an easy task, except for the paper and the ink. Noted lawyers, and no doubt as many other experts in the field, would join forces for the defense of this great scheme. But is it sure that the Jewish usurers, throughout all the countries, would stand by us in the defense of this great scheme? No, on the contrary, they would be the first to come forward to defend such a scheme, to join us and make us the props of this great undertaking.

On the contrary, the Federal Reserve is a complete and utter fraud, a complete and utter swindle.

FEDERAL RESERVE (Continued from Page 8)

Jalaluddin Island. Under Paul Warburg's leadership, the small clique at Jalaluddin island hammered out the details of their plan, which they called the "lawful reserve," a system of printing money that would be used to finance the Political Trust. According to the plan, the Political Trust would select a man to be the first president of the Federal Reserve Bank of New York, and that man would then choose a man to be the head of the Federal Reserve banking system. The plan was simple, but it required a large amount of money to get started.

Mechanics of Manipulation. Supporting the Federal Reserve was a group of wealthy financiers who were convinced that the United States was heading for a financial crisis. Among these financiers were the Rothschilds, who had been involved in the French Revolution, and the political leaders of the United States. The Rothschilds had been asked by President Andrew Jackson to help him establish the Federal Reserve banking system.

John Pierpont Morgan was one of the financiers who supported the Federal Reserve. Morgan was a wealthy man who had made his fortune in the textile industry. He was also a close friend of President Jackson, and he had helped to establish the Federal Reserve banking system.

The Rothschilds and Morgan were not the only people who supported the Federal Reserve. Other financiers, such as J.P. Morgan and John D. Rockefeller, also supported the Federal Reserve. These financiers were convinced that the United States needed a strong financial system to help it through the financial crisis.

The Federal Reserve's main purpose was to provide a safe haven for the United States' financial system. The Federal Reserve was designed to prevent runs on banks, to provide a source of liquidity for the banking system, and to provide a mechanism for the government to manage the country's monetary policy. The Federal Reserve was also designed to provide a mechanism for the government to influence the economy by changing the money supply.

The Federal Reserve was designed to be an independent body that would be free from political influence. The Federal Reserve was to be controlled by a Board of Governors, which was to be appointed by the President with the advice and consent of the Senate. The Federal Reserve was also to have a powerful chairman, who was to be appointed by the President and confirmed by the Senate.

The Federal Reserve was also designed to be a source of stability for the country. The Federal Reserve was to be able to provide a source of liquidity for the banking system, and it was to be able to provide a mechanism for the government to manage the country's monetary policy.

ESTABLISHING THE FORMAT FOR ORGANIZATIONAL CONTINUITY

THE CHURCH OF THE CREATOR

Since historically both governments and other organizations have experienced changes and turmoil when it comes to change in leadership, I believe it is of major importance that some consistent change of power at the top be clearly established. As we have learned so often as we witness the succession of various political leaders during the Roman Empire, each change of power usually resulted in religious bloodshed and civil strife. I therefore believe that as the Founder of the Continuity movement, it is vital that he establish a set of guidelines for the future, so that such transfer can be made smoothly and peacefully as possible and thereby eliminate any disruptions to the continuity and ef-

ficacy of the movement.

Based on the experiences of the previous followers of the CLAIR of THE CREATOR could well benefit from both past mistakes and successes. I believe the lessons of history show that the CHURCH OF THE CREATOR could function best under the following basic guidelines:

1. (a) The organizational structure should be based on the Leaderhip Principle as set forth in NAVE'S ETHICAL RELIGION and re-affirmed in THE WHITE RACE'S BIBLE. I believe that each type of organization has proved itself to function best throughout history, as is proven by the tronenous accomplishments of the church under the Emperor, the longevity and continuity of the Central Church, and the robust efficiency and achievements of the Church, which operates under the CHURCH OF THE CREATOR.

There are many other things, such as the Pontiff Maximus as the supreme leader and head of the organization. He is responsible for appointing the officials, all of whom have special responsibilities. The Pontiff Maximus is appointed by the leaders of the CHURCH OF THE CREATOR.

2. As a corollary to the above, the organization as a whole is responsible to practice White Racial Teamwork at all levels, under the leadership of the Pontiff Maximus of the CHURCH OF THE CREATOR.

3. As a result of the Pontiff Maximus' recommendations are made by Board of Directors, which is responsible for the CHURCH OF THE CREATOR.

4. Since the leadership and responsibility of such high office is of utmost importance to the welfare of the White Race, it is also essential that the persons selected be highly qualified, and must fully trans- formed, of the highest mental capacity, a supra-normal capacity, has been highly dedicated to his loyalty to the White Race, must be mystically created, of Creativit- and formality, and therefore, at the peak of his mental and physical capacities. I therefore believe that our leaders, must be younger than the peak of the Church's political life. Instead of achieving their goals in their fifties or sixties, I suggest that the most creative, energetic and productive phases of life are from the age of 35, and with the passage of time one would expect as high as 50, or even higher.

Due to the strenuous demands of this office, I believe that a man of great energy and greater mental capacity, and has all that has to do with the White Race for a period of 10 years deserves being retired with honor and replaced by a new, younger man with fresh ideas and energy. In this way, we will not allow the office to degenerate into the lethargy and senility that has plagued so many generations of the past within the Catholic church to the present day. We want to keep the Pontif Maximus as the dynamic, energetic and forward looking leader of our Church.

Once the White Man's thinking is straightforward out, getting rid of the parasites on our backs will be relatively easy.

Once the White Man's thinking is straightforward out, getting rid of the parasites on our backs will be relatively easy.

Racial heroes and we believe that Hitler was the greatest of them all. But we must face reality. Hitler has been dead for 38 years, and outside of the history of the world he has left us, there is nothing further he can do for us. Meanwhile, the Jewish unsanctioned is not only still very much with us, but it ranges, constantly increasing very fast, until the White Race itself will save itself from genocide. This means those of us today having this job or it will be too late. So we had get it better with.

Hitler can't do it for us. In fact, in the Nazi philosophy he did not even care except for himself. He did not care whether Germany and the Germans won't save us. As I have said, the White Race right here in America has the honor and the awesome burden of solving the problem. The White people of America will have to take the lead and fight the bat- tle. All to our racial White Creators we say: The White Race in America, from now on will have to understand that, has been highly dedicated in his loyalty to the White Race, and of Creativity, and formality, and therefore, at the peak of his mental and physical capacities. I therefore believe that the CHURCH OF THE CREATOR has by far the most complete, comprehensive and realistic creed and program. We don't contend that we at this point have the best leadership and we are still looking. But we will find them and build the best organization the world has ever seen, bar none.

So fervently appeal to all White Racial Creators to join us now, regardless of what small White group you belong to. There are no meaningless little groups of any consequences. Join us now! Let us get our act together! If the CHURCH OF THE CREATOR doesn't have the right creed and pro-

gram, it will not be the answer. Why? It isn't arid, it is not dull and quible and pontificate. Never will the opportunity be bet-

ter than today. Every day we delay, the White Race becomes weaker and weaker. The total mass must be in numbers, in political power and economic power and every other
category.

HELP BUILD!

We must not get into the rut of merely endlessly, we must direct our energies constructively to solve the problem by building a powerful White Racial movement. CREATIVITY is the solution.

I have found my purpose.

When we read the establishment (Jewish) press these days, we are continuously overwhelmed with statistics and facts. We need more of everything. We need more and better schools, teachers, roads, bridges, more welfare, more and better police, more money everywherer, and more to farmers, more to the elderly, more prisons, more police.

We need more, more, more. This is all based on endlessly and seemingly the bottom line always is we need more dollars to carry out anything and everything. These are the same paper dollars the Jewish Federal Reserve Police print at the carload for next to nothing through its government boutiques in the Bureau of Printing and Engraving, and with which it is stealing the world. Since we thoroughly exposed this gang of international swindlers in last month's issue, we need not go into it again in this discussion.

We must try to explore in this analysis is the needs of the White Race for its own survival, expansion and advancement, and in particular, our own movements, CREATIVITY. We cannot need a few billion dollars to fund our movement and if we had the 30 or 40 billion dollars a year that a Jewish Christi-

anisation has its movement would spread like a prairie wildfire on a hot, sunny day.

The fact is we don't have it, and funding for the survival of our society is not a priority on the list with most of its members, strange to say. What we want to find out is - why? and to try to get our priorities in order and correct the situation.

Is it a lack of money that is our greatest problem? No, it is not. Although the Jews monop-olize the world, the White Race has any number of millionaires, some of which, like the Hunt's Texas, could easily finance this movement if they were to choose to do so. What we believe is that, even though not millionaires, could adequately support this movement collectively to the tune of millions a year, as witnesses the number of the people present at the last few years and contributions during that span of time.

(Continued on Page 2)
peddlers. Each of the above takes in 50 million or more a year from their victims, the overwhelming majority of which are White.

So it is not that we don’t have the money or resources. The problem is that our resources are scattered. As a consequence the White Race finds itself in the miserable and humiliating position of having to exist for a living in a world made up of the inferior enemies for mercy and a few crumbs of charity. For nearly 2,000 years now the thinking of the White Race about itself and its position in the world has been narrowly focused on the here and now. Indeed, they have such faiths as Judaism, Christianity, Islam, and various and sundry other lesser religions but nothing, has been done for the survival, expansion and advancement of Mother Nature’s finest—the White Race. So, starting from zero, well, yes. What is needed first is to start the Church of the Creator started twelve years ago. We did not resort to cheap, temporary“quot;quokka” or neck-breaks. Instead, we are now working with the help of all our friends and supporters and building a lasting institution. We are doing it all together in our three basic books—NATURE’S ETERNAL RELIGION, THE WHITE MAN’S BIBLE, and SALVATION LIVING. Whereas it took Christ a little over three years to reach the age of 32 A.D. so much as to ‘a bible’ we have it right from the start. We have the TOTAL PROGRAM, the FINAL SOLOMONIC TREATY and the TOTAL WORK for survival, expansion and advancement of the White Race.

Problem Number One is solved.

Next comes the basic headquarters from which, we are told, will also provide a geographical and ideological focus. As an example, Rome or Accra. This we now have. Our World Center is located in Oak, North Carolina, in the beautiful Blue Ridge mountains, fulfills this critical function.

Problem Number Two is solved.

Next, we receive a transmission to reach out and convey our dedication and message to our friends, and indeed to the world. Indeed, we now have in the paper you are now holding in your hand, RACIAL LOYALTY.

Problem Number Three is solved.

So far, so good. But, we still have one long, long way to go. We know what we need to do (and we must do it) to promote the hell out of our cause. But we don’t need your money. We don’t need your help to design it. We don’t need it to rev it. We do need to fiddle around with it and make it better in any part longer. Perfect or improved, it is not. This is why it is not the second, in the best, in the real solution there is. So we are left with a second, better one.

While we are on the subject of what we don’t need, let me list a few other pet peeves.

We don’t need TITLE SPEAKERS or armchair strategists. We do need thousands of super-charged, dedicated activists. WE NEED DOERS!

(2) You’ve discovered nothing with no solution, please do not tell us about it. We do not need any more problems nor do we need the old problems endlessly recycled. (See THE FAT TIRE SYNDROME, Issue No: 2, in RACIAL LOYALTY). We need problem solvers, doers, activists and achievers.

(3) We don’t need any more “quick-fix” ideas or suggestions. We have pretty well heard them all. The job to be done is comprehensive and fundamental. We are not interested in the side show. We want desperately, problem solvers, achievers, doers, activists and funders.

The Great Brain is sure I am sure you have gathered by now from the above is: WE NEED DOERS, WORKERS, AC-TIVISTS AND FUNDERS, and we need them now and we need them now.

While, in the first part of this article I listed a multitude of needs, the title implies that it is primarily that of a race that is prone to meet them all, and there is. The greatest need is

the efforts of one Joseph Smith Jr., who, through the agency of golden plates had many visions and instructions from God.

From its founding up to the present time, the church has grown in numbers and influence. At first, they were a small group of men who had a desire to spread their message. However, they have remained steadfast in their faith, and their beliefs have continued to grow stronger. The church is known for their commitment to living according to the principles outlined in the Golden Plates.

One of the people who wrote the bible did not believe or follow one little thing in it. You can read the Bible, and you should. But what’s so bad, you might ask? Well, let’s start with a few facts:

1. I found it—the one thing that tied it all together. The stitch of deception that runs through the entire text.

Dear All, Friends,

I recently attended an activist meeting in my local branch of the (NP) National Front. Although I went with the intention of learning about the work of the movement, I found myself yearning to be a part of it. It was like a magnet drawing me towards it. All the people I met were very friendly and welcoming. I decided to join the movement and now I am a full member.

Thank you. I am still learning and growing in my knowledge of the Front. I hope to become more active in the future.

Sincerely, Tom Metagery — California

Dear Mr. Klassen,

I am a White patrocinador from South Africa, a former active member of the Apartheid Movement and a member of the movement in Paraguay. I am here in order to support the efforts of the Vague and their families. I have been supporting them since 1981, and have now established a small farm here, where we are able to live our daily lives without interference from the government and its policies and with a sense of freedom.

I have read and possess both of your books, "WHITE UTOPIA" and "THE WHITE REVOLUTION" and I have read and understand them. The reason I am writing to you is personal — your thoughts on the concept of Living in a New World are very interesting to me. I have read and studied many books on the subject of Living in a New World, and I believe that your thoughts and ideas on this subject are very important.

Sincerely yours,

Dear Mr. Klassen,

I am writing this letter in the hope that you might be interested in the following ideas I have for a new book. I have written a book on the subject of "Human Rights and Social Justice" and I think that it would be interesting to write a book on the subject of "Nature and Social Justice." I believe that this book would be of interest to many people and I hope that you might be interested in the idea.

The War with Mexico

1846-48

An Unfinished War

Most U.S. Wars Costly and Problematic

The United States fought many wars in its short history, but the cost and public reaction to most of these wars were generally favorable. With the exception of the War of 1812, most of these wars were short and successful. However, the Mexican War of 1846-48 was a different story. The war was initially popular, but public opinion turned against it as the cost of the war increased and the outcome became uncertain.

The Treaty of Guadalupe Hidalgo

The Treaty of Guadalupe Hidalgo was signed on February 2, 1848, by representatives of the United States and Mexico. It ended the Mexican War and concluded with the United States gaining a vast amount of land from Mexico, including present-day California, New Mexico, Arizona, Nevada, and Utah. The treaty also established the Rio Grande as the border between the two countries.

The Mexican War

The Mexican War was fought between the United States and Mexico from 1846 to 1848. The war was caused by a dispute over the location of the Rio Grande as the border between the two countries. The United States wanted to extend its territory to the Pacific Ocean, while Mexico wanted to keep its territory intact.

Constructive and Beneficial Exception

The Mexican War was a constructive and beneficial exception to the nation's history. The war was fought in defense of the United States, and it was a war that the nation could afford to win. The war was fought to protect the United States from invasion and to secure its borders.

The Mexican War was fought from 1846 to 1848. It was a war of conquest and expansion, and it was fought to gain new territory for the United States. The war ended with the Treaty of Guadalupe Hidalgo, which transferred a large portion of Mexico to the United States.

MEXICAN WAR

The Mexican War (1846-1848) was a conflict between the United States and Mexico, which lasted for two years. The war was fought over the issue of the Oregon boundary and the expansion of slavery into the territories of the Southwest. It began with the Beating of the Drum by Mexico in 1846, following the U.S. invasion of Mexican soil in the Battle of Buena Vista.

On March 30, 1847, the United States declared war on Mexico, and the war lasted for two years. The war ended with the signing of the Treaty of Guadalupe Hidalgo, which ceded large portions of Mexican territory to the United States. The war resulted in the United States gaining over 500,000 square miles of land, including California.

On May 13, 1848, the Treaty of Guadalupe Hidalgo was signed, ending the Mexican War. The treaty ceded Mexican territory to the United States and established the southern boundary of the United States at the Rio Grande River. The treaty also established the eastern boundary of the United States at the Mississippi River, and the western boundary at the Pacific Ocean.

The Mexican War was a significant event in American history, as it marked the end of the Monroe Doctrine and the beginning of the United States' expansion into the Western Hemisphere. It also marked the beginning of the end of Mexico as a nation and the rise of the United States as a world power.

5. We of the CREATOR take the contrary position. We believe that there is a paramount need for the white race to preserve itself. The survival, expansion and advancement of the white race is the ultimate goal in our existence. We of the CREATOR believe that we have a duty to protect our race and to ensure its survival. We believe that the white race must take action to safeguard its future and to ensure its continued existence.

6. The CREATOR is not the cause of the war, nor is it the cause of the problems that have resulted from it. We believe that the problems are the result of the actions of the white race. We believe that the white race must take action to correct its mistakes and to prevent a recurrence of the war. We believe that the white race must work to ensure the survival of its race and to ensure its continued existence. We believe that the white race must take action to safeguard its future and to ensure its continued existence.

MEXICAN WAR (Continued from Page 10)

The Ominous Lesson is still here! and when the Mexicans, or any other nation, or any of their rulers, have made the power over to us, they willvanized the White Race. The hatred they hate the White Race.

When the Mexican War finally came to put the monopolized Mexican Race in place and to the core of former Texas Rangers that service primitively, by every legal means and to every single man, by every moral and political means, and by every means that would be effective, both the Mexican and the White Race.

This would not have been allowed in reality, that the Mexican and the White Race could wipe out the murderous raids on the Texas settlers for decades after the Mexican War was over. Especially treacherous among the Indian tribes were the fierce Comanches and the Cherokee.

It was the job of the Texas Rangers to fight the enemies of the White Race out of Texas, and they made sure that work was done.

The true role of the Texas Rangers is still being played. For instance, in the current war on terror, the Texas Rangers are at the forefront of the fight against terrorism.

Heroic Group. In the war we have a group of heroic men and women who fought against the Texans and made possible the survival and expansion of the White Race.

Texas was at one time considered a border state with proud tradition of both slave-holding and free state values. The Texas Rangers were often involved in these conflicts, demonstrating their commitment to the White Race.

The Texas Rangers fought for the White Race, and in doing so, they laid the foundation for the future of Texas and the United States as we know it today.
In the Lith chapter (Part 1) of NATURE’S ETERNAL RELIGION I have talked about the Story of Esther as taken from the OLD TESTAMENT of the Jewish Scriptures. One of the most significant lessons that can be drawn from this account is, in fact, the quotation of "And the fear of the Jews upon the land was very great." This is no mere statement of fact; rather, it is a poetic expression of the profound influence that Esther exerted on her people. The story of Esther is a powerful reminder of the power of the human spirit to overcome adversity and to bring about great change.

For some days now, as I have been reading the story of Esther, I have been thinking about the way in which her actions and decisions have affected the course of events. I have been wondering how different the outcome of the story would have been if Esther had not taken the risks that she did. For example, if she had not taken the risk of entering the king’s presence, or if she had not taken the risk of speaking truth to power, the story might have turned out very differently. The outcome of the story might have been very different, and the course of history might have been altered.

In this way, Esther’s story serves as a reminder of the power of the human spirit to overcome adversity and to bring about great change. It is a story that should be told and retold, and it is a story that should be studied and learned.

There is also a lesson to be learned from the story of Esther for Christians today. The story of Esther is a reminder of the importance of standing up for what is right, even when it is difficult. It is a reminder of the importance of not giving up, even when the odds seem against us. It is a reminder of the importance of not being afraid to speak truth to power, even when it is dangerous. It is a reminder of the importance of not being afraid to take risks, even when the outcome is uncertain.
